NOTICE OF INTENT TO AWARD A SOLE/SINGLE SOURCE PROCUREMENT

Sole/Single Source No: SS NO. 25-40

Date Posted: April 17, 2025

Written Response Due Date: April 24, 2025

This is not a formal solicitation and there are no submissions required. The proposed contract action is for product or services for which the City intends to negotiate and award with only one contractor/vendor under the authority of and in accordance with Florida State Statute 287.057(5)(c). Any responses received as a result of this Notice of Intent shall be considered solely for the purpose of determining whether to conduct a competitive procurement. Responses will not be considered as proposals, bids, or quotes.

- **DESCRIPTION OF SERVICE/PRODUCT: Firewall Renewal**
- **AMOUNT** (This is an acquisition with an estimated value of): **\$17207.83**
- **VENDOR: Rexel**

Interested firms or individuals may identify their interest and capability to respond to the requirement by submitting in writing their name, address, point of contact, telephone number, e-mail, and a statement regarding capability to provide the specified procurement per the attached specifications. Interested firms will be considered only if they respond with clear and convincing documentation that they are capable of meeting or exceeding the requirements stated herein. All responses received within seven (7) calendar days after the date of publication of this synopsis will be reviewed by the City. A determination by the Procurement Manager not to compete this proposed action based on the responses to this notice is solely within the discretion and approval of the Procurement Manager and City Manager.

All sole/single source purchases exceeding the formal threshold indicated in the policies and procedures manual will require Commission Approval.

All responses must be in writing and returned to **ATTENTION: PURCHASING**, City of North Port, 4970 City Hall Boulevard, Suite 337, North Port, Florida, 34286 or by: Fax 941-429-7173, or by e-mail purchasing@northportfl.gov. Note the number of the Sole Source Information inquiry on documentation.

Information regarding this Intent may be viewed and downloaded from DemandStar's website at www.demandstar.com. Links to DemandStar are also available from the City website at www.northportfl.gov. This Notice of Intent is posted on the City FTP site at <https://northportfl.gov/files/share>. If you have any questions, concerns, or problems accessing this request using the link, please contact Bernice Moen, Contract Administrator I, at 941.429.7114. Request for additional information or clarification regarding the specifications must be sent via facsimile to 941.429.7173 or via email to purchasing@northportfl.gov. No verbal requests will be honored.

Attach documentation from the manufacturer certifying the vendor selected is the only distributor/dealer/contractor for the products or services in question and/or holds the production, unique capability, copyrights, trademark, and/or patent to the item, and check the following applicable statement(s):

☐ Patent, copyright or unique design restrictions. (Sole Source)☐ Proprietary rights in technical data and/or product formulations (e.g. cleaning compounds, lubricating oils, paint, etc.), which can only be determined through extensive laboratory analysis and examination. (Sole Source)☐ Only producer, such as utility supplier or construction material supplier, that will meet the specialized needs of the department or perform the intended function. (Sole Source)

☒ Direct replacement parts, equipment or supplies that must be compatible with original equipment already installed but available only from the original equipment manufacturer. Most manufacturers have more than one dealer or distributor for their products. When this is the case, competition between dealers and/or distributors may be possible, eliminating the "sole or single source" restriction. (Single Source)

☐ When tests and/or demonstrations of equipment, supplies, part, etc. under actual operating conditions reveal superior quality, performance, design or other characteristics in a brand product(s), which is available from only one source. Testing must be performed as often as practical. (Single Source)

☐ Purchases for a brand product are to be made from one selected supplier, even though there are other suppliers that provide similar products. Options, such as pricing, availability, servicing, have been vetted and a supplier has been chosen that best meets the City's needs. (Single Source)

☐ Maintenance, repair services or warranty which require specialized test equipment, procedures, and technical expertise available only from the original equipment manufacturer or authorized/licensed dealer/field service representative. (Single Source)

☒ The part(s)/equipment are required to permit standardization and operating efficiencies within the organization and the parts and equipment are only available through a sole or single source. If competition is available, the parts and equipment must be competed. For brand-specific items, quotes should still be obtained. (Standardization)

☐ Other: None or some of the above apply. Provide detailed justification below.

Re: Rockwell Automation Authorized Allen-Bradley Distributors

Rockwell Automation extends and enhances its own significant automation capabilities by partnering with a network of authorized distributors. Some of the many benefits that customers enjoy working with their local authorized Allen-Bradley distributor include:

- Access to local distributor inventory (including spares and replacement parts)
- Technical assistance from local distributor product specialists
- A knowledgeable staff that has access to factory training
- Rockwell Automation support of local distributor activities

REXEL USA INC – Sarasota, FL is the only distributor authorized by Rockwell Automation to sell Allen-Bradley and Rockwell Software products, along with related services; including technical support contracts as well as training, in the geographic area in which your facility is located. As a matter of Company policy, Rockwell Automation only provides product and sales support to the local authorized distributor, and it is our practice and policy to always promote and recommend that customers buy from their local authorized Allen-Bradley / Rockwell Automation distributor. Rockwell Automation discourages purchasing from non-authorized sources, including distributors who may hold an Allen-Bradley appointment in another area.

If you purchase Allen-Bradley / Rockwell Automation products from an unauthorized source, you may not receive the latest version. The latest version of Allen-Bradley products, along with related factory product services, only is available through your local authorized Allen-Bradley / Rockwell Automation distributor.

Also, products that are not purchased directly from Rockwell Automation or its local authorized distributor may not be covered by a manufacturer's warranty. Rockwell Automation's standard manufacturer's warranty covers new Allen-Bradley products for a period of one year from the date of Rockwell Automation's or its authorized Allen-Bradley distributor's invoice to the customer. FTL

As a result, there is no assurance that products sourced from unauthorized parties will carry a valid and unexpired manufacturer's warranty. Customers purchasing products from unauthorized sources should not assume that they will receive any rights under any Rockwell Automation factory warranty. Only an authorized Allen-Bradley distributor may offer access to factory warranty coverage on Allen-Bradley products.

We recognize that price can be an important consideration in any purchasing decision; however, it also is important that customers understand what they are getting for that price (or in the case of purchases from an unauthorized source, what they are not getting). Rockwell Automation firmly believes that the best customer value in the long-run is achieved by dealing with the local authorized Allen-Bradley distributor.

Should you have any further questions, please do not hesitate to contact **REXEL** at 941.360.8298 or your local Rockwell Automation sales office at 813.466.6400.

Hello Risk team,

May I inquire about the INS waiver for Rexel (attached) as the requesting department is inquiring, please?

I have changed this waiver to identify the add-to only amount and supplies to be purchased. Will you review when possible?

Re: Rockwell Automation Authorized Allen-Bradley Distributors

Rockwell Automation extends and enhances its own significant automation capabilities by partnering with a network of authorized distributors. Some of the many benefits that customers enjoy working with their local authorized Allen-Bradley distributor include:

- Access to local distributor inventory (including spares and replacement parts)
- Technical assistance from local distributor product specialists
- A knowledgeable staff that has access to factory training
- Rockwell Automation support of local distributor activities

REXEL USA INC – Sarasota, FL is the only distributor authorized by Rockwell Automation to sell Allen-Bradley and Rockwell Software products, along with related services; including technical support contracts as well as training, in the geographic area in which your facility is located. As a matter of Company policy, Rockwell Automation only provides product and sales support to the local authorized distributor, and it is our practice and policy to always promote and recommend that customers buy from their local authorized Allen-Bradley / Rockwell Automation distributor. Rockwell Automation discourages purchasing from non-authorized sources, including distributors who may hold an Allen-Bradley appointment in another area.

If you purchase Allen-Bradley / Rockwell Automation products from an unauthorized source, you may not receive the latest version. The latest version of Allen-Bradley products, along with related factory product services, only is available through your local authorized Allen-Bradley / Rockwell Automation distributor.

Also, products that are not purchased directly from Rockwell Automation or its local authorized distributor may not be covered by a manufacturer's warranty. Rockwell Automation's standard manufacturer's warranty covers new Allen-Bradley products for a period of one year from the date of Rockwell Automation's or its authorized Allen-Bradley distributor's invoice to the customer. FTL

As a result, there is no assurance that products sourced from unauthorized parties will carry a valid and unexpired manufacturer's warranty. Customers purchasing products from unauthorized sources should not assume that they will receive any rights under any Rockwell Automation factory warranty. Only an authorized Allen-Bradley distributor may offer access to factory warranty coverage on Allen-Bradley products.

We recognize that price can be an important consideration in any purchasing decision; however, it also is important that customers understand what they are getting for that price (or in the case of purchases from an unauthorized source, what they are not getting). Rockwell Automation firmly believes that the best customer value in the long-run is achieved by dealing with the local authorized Allen-Bradley distributor.

Should you have any further questions, please do not hesitate to contact **REXEL** at 941.360.8298 or your local Rockwell Automation sales office at 813.466.6400.

Respectfully,
