Such substitution shall be subject to City approval. Substitutions shall be approved only if determined by the City to be equivalent to the specifications. A quote containing substitution is subject to disqualification if the City does not approve the substitution.

ARITHMETIC DISCREPANCIES: For the purpose of initial evaluation of quotes, the following will be utilized in resolving arithmetic discrepancies found on the face of the quote forms as submitted by quoters:

If any part of the goods or equipment should fail during the warranty period, it shall be repaired/replaced by the Vendor at no expense to the City. Warranties shall be in writing and presented at time of delivery. Failure on the part of the City to reject inferior workmanship or to note nonconforming materials or equipment will not be construed to imply acceptance by the City. Such violation by the Vendor of the employment provisions contained in Section 274A(e) of the INA shall be grounds for termination of the Contract by the City.

Economic hardship of a party does not constitute an event of *force majeure*. A party will not be excused from performance due to forces that it could have reasonably prevented, removed, or remediated prior to, during, or immediately after their occurrence.

The non-performing party's affected obligations under this Agreement will be temporarily suspended during, but not longer than, the continuance of the event of *force majeure* and a reasonable time thereafter as may be required to commence or resume performance of its obligations.
