## **NOTICE OF INTENT TO AWARD A SOLE/SINGLE SOURCE PROCUREMENT**

**Sole/Single Source No: SS NO. 26-50**

**Date Posted: December 19, 2025**

**Written Response Due Date: December 27, 2025**

**This is not a formal solicitation and there are no submissions required.** The proposed contract action is for product or services for which the City intends to negotiate and award with only one contractor/vendor under the authority of and in accordance with Florida State Statute 287.057(5)(c). Any responses received as a result of this Notice of Intent shall be considered solely for the purpose of determining whether to conduct a competitive procurement. Responses will not be considered as proposals, bids, or quotes.

- **DESCRIPTION OF SERVICE/PRODUCT: LUBExpert Dynamic System**
- **AMOUNT** (This is an acquisition with an estimated value of): **\$11,694.00**
- **VENDOR: SDT North America LTD**

Interested firms or individuals may identify their interest and capability to respond to the requirement by submitting in writing their name, address, point of contact, telephone number, e-mail, and a statement regarding capability to provide the specified procurement per the attached specifications. Interested firms will be considered only if they respond with clear and convincing documentation that they are capable of meeting or exceeding the requirements stated herein. All responses received within seven (7) calendar days after the date of publication of this synopsis will be reviewed by the City. A determination by the Procurement Manager not to compete this proposed action based on the responses to this notice is solely within the discretion and approval of the Procurement Manager and City Manager.

All sole/single source purchases exceeding the formal threshold indicated in the policies and procedures manual will require Commission Approval.

All responses must be in writing and returned to **ATTENTION: PURCHASING**, City of North Port, 4970 City Hall Boulevard, Suite 337, North Port, Florida, 34286 or by: Fax 941-429-7173, or by e-mail [purchasing@northportfl.gov](mailto:purchasing@northportfl.gov). Note the number of the Sole Source Information inquiry on documentation.

Information regarding this Intent may be viewed and downloaded from DemandStar's website at [www.demandstar.com](http://www.demandstar.com). Links to DemandStar are also available from the City website at [www.northportfl.gov](http://www.northportfl.gov). This Notice of Intent is posted on the City FTP site at <https://northportfl.gov/filesshare>. If you have any questions, concerns, or problems accessing this request using the link, please contact Bernice Moen, Contract Administrator I, at 941.429.7114. Request for additional information or clarification regarding the specifications must be sent via facsimile to 941.429.7173 or via email to [purchasing@northportfl.gov](mailto:purchasing@northportfl.gov). No verbal requests will be honored.

# Ultrasound Solutions

SDT North America Ltd.  
PO Box 682  
Cobourg, Ontario, Canada

## To Whom It May Concern:

This letter serves as confirmation that **SDT North America Ltd.** is the sole authorized source in North America for the supply of **SDT Ultrasound Solutions' products**, including but not limited to:

- SDT340 Ultrasonic Condition Monitoring System
- LUBExpert On-Condition Lubrication Solution
- SonaVu Acoustic Imaging Camera
- Associated accessories, software, and support services

These products are proprietary to SDT and are not available for purchase from any other source. SDT North America Inc. is the exclusive distributor for the United States and Canada and is solely responsible for sales, technical support, and after-sales service in these markets.

For this reason, SDT North America Ltd. is the only qualified source from which the City of North Port may procure these products and associated services.

Should you require additional information or clarification, please do not hesitate to contact us directly.

Sincerely,

Richard Smith  
Operations Manager  
SDT North America Ltd.

**SDT North America Inc**  
 7677 County Road 2,

 Please submit all purchase orders to: sales@sdtultrasound.com

## GENERAL TERMS OF SALE

### 1. APPLICABILITY; ORDER OF PRECEDENCE

1.1. These Terms and Conditions of Sale ("Terms") apply to all quotations, offers, order acknowledgements, and sales of products or services ("Products") by SDT North America Inc. or SDT North America Ltd. (each, "Supplier") to any purchaser ("Customer").

1.2. By placing an order, Customer accepts these Terms to the exclusion of any other terms. Any deviation from or addition to these Terms—whether in Customer's purchase order or otherwise—will be binding only if expressly agreed in writing by Supplier. All non-conflicting provisions of these Terms remain in force.

### 2. OFFERS; ORDER CONFIRMATIONS

2.1. Unless expressly stated otherwise in writing, Supplier's quotations and offers are provided for information only and are not binding.

2.2. A contract is formed only upon Supplier's written order confirmation or shipment of the Products, whichever occurs first.

### 3. DELIVERY TIME

3.1 Unless otherwise agreed in writing, any delivery dates provided by Supplier are approximate and non-binding.

3.2. Supplier will use commercially reasonable efforts to meet indicated timeframes; delays do not give rise to liability or cancellation rights except as expressly agreed in writing.

### 4. SHIPPING; RISK OF LOSS; ACCEPTANCE

4.1. Unless otherwise agreed in writing, all deliveries are Ex Works (EXW) Cobourg, Canada (INCOTERMS® 2010). Title is governed by Section 7; risk of loss transfers to Customer at EXW.

4.2. Customer shall inspect Products upon receipt and notify Supplier in writing of any non-conformity within 15 days. Absent timely notice, Products are deemed accepted.

### 5. CERTIFICATES OF ORIGIN

5.1. Certificates of Origin for SDT products are available upon request. A fee of USD 250 per certificate applies and may extend shipment timelines.

5.2. Please reference p/n CERT.COO.SDT on the purchase order. Multiple ultrasound kits may be listed on a single certificate.

### 6. RETENTION OF TITLE

6.1. Title to Products remains with Supplier until full payment of all amounts due for the relevant delivery.

6.2. Until title passes, Customer shall not pledge, assign, or transfer the Products to third parties and shall keep them identifiable and insured.

6.3. Notwithstanding title retention, risk transfers per Section 4.1.

### 7. WARRANTY; RETURNS

7.1. Unless otherwise agreed in writing, Products are warranted as set out in the instruction manual accompanying each Product and in Section 12 below.

7.2. No Product may be returned without Supplier's prior written authorization and a Return Material Authorization (RMA).

7.3. Claims not submitted within 15 days of receipt are deemed late and may be rejected.

7.4. Custom cables manufactured to Customer's specifications are final sale and non-returnable.

### 8. PRICES; TAXES; PAYMENT

8.1. Unless otherwise agreed in writing, prices are exclusive of freight, insurance, duties, taxes, and other governmental charges, all of which are Customer's responsibility.

8.2. Invoices are payable to SDT North America Inc. or SDT North America Ltd. (as stated on the invoice).

8.3. Credit card payments exceeding USD 1,000 are subject to a 3% processing fee.

8.4. Unless otherwise agreed in writing, each invoiced amount is due on the stated due date and inclusive of applicable taxes.

### 9. LATE PAYMENT

9.1. Any sum not paid when due accrues interest at 10% per annum (or the maximum rate permitted by law, if lower), calculated daily and compounded monthly.

9.2. Any sum remaining unpaid 15 days after Supplier sends a registered-mail reminder will be increased by 15%, with a USD 100 minimum, as a fixed administrative collection fee, where permitted by law.

### 10. SUSPENSION; TERMINATION; REPOSSESSION

10.1. If Customer fails to pay any invoice when due, Supplier may suspend performance or withhold further deliveries without notice.

10.2. Non-payment by the due date may result in cancellation of the related sale. Upon cancellation, Customer shall immediately return the Products at its expense; failing which, Supplier may enter Customer's premises to repossess the Products, subject to applicable law.

### 11. USE OF SDT MARKS

11.1 Customer shall not use SDT names, logos, or certification/test marks in any manner without Supplier's prior written consent.

### 12. LIMITED LIFETIME WARRANTY (REGISTRATION REQUIRED)

12.1. Unless otherwise noted, SDT Products are covered by SDT's Limited Lifetime Warranty upon mandatory product registration.

12.2 The SonaVu acoustic imaging camera is covered by a separate 24-month conditional warranty.

### 13. GOVERNING LAW; JURISDICTION

13.1. These Terms and any dispute arising out of or in connection with them are governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to conflict-of-law rules.

13.2. The parties submit to the exclusive jurisdiction of the courts of Ontario.

### 14. MISCELLANEOUS

14.1. If any provision of these Terms is held invalid, the remaining provisions remain in full force.

14.2. No waiver is effective unless in writing and signed by Supplier.

14.3. Headings are for convenience only and do not affect interpretation.

### 15. 30-DAY CANCELLATION NOTICE (WITHIN FIRST 90 DAYS)

- *Either party may terminate this Proof of Concept (POC) agreement at any time within the first ninety (90) days from the Effective Date by providing the other party with no less than thirty (30) days' written notice of termination. Upon such termination, all obligations of the parties shall cease as of the effective termination date, except for any payment obligations incurred prior to termination and any provisions of this agreement that by their nature are intended to survive termination.*

## PURCHASE ORDER INSTRUCTIONS

---

### 1. PURCHASE ORDER REQUIREMENTS (ADMINISTRATIVE)

To ensure timely processing, Customer's purchase order (PO) must include all items below. Incomplete POs cannot be processed; corrections or additions via separate emails or verbal communications are not accepted.

### 2. WHERE TO SEND PURCHASE ORDERS

- Email: sales@sdtultrasound.com
- Fax: +1 (905) 377-1402
- Mail:
  - Canada: SDT North America Inc, PO Box 682, Cobourg, ON K9A 4R5 CANADA
  - USA: SDT North America Ltd, 203 Commerce Blvd., Anderson, SC 29625 USA

### 3. BILL-TO (BILLING) - MUST CLEARLY STATE

- Legal name of company or purchaser
- Full mailing address (Country, ZIP code, Province/State)
- Contact name(s)
- Telephone number and email of receiving contact

### 4. SHIP-TO (DISPATCH TO) - MUST CLEARLY STATE

- Legal name of receiving company or person
- Full delivery address (Country, ZIP code, Province/State)
- Contact name and department
- Telephone number and email of receiving contact

### 5. SHIPMENTS TO THE UNITED STATES OF AMERICA

- Federal Tax ID (W-9) for the Importer of Record is required.
- If the final destination is outside of the USA, Customer must notify Supplier at the time of order.

### 6. DELIVERY TERMS

- Specify the applicable INCOTERMS® 2010 rule and named place for each order (e.g., EXW Cobourg, Canada).
- Unless otherwise specified, Supplier is not responsible for customs duties and/or taxes.
- If Customer wishes Supplier to ship on Customer's courier account, the account number must be provided on the PO.

### 7. PAYMENT TERMS

- State the agreed payment terms, payment method and expected payment date.

### 8. PURCHASE ORDER NUMBER

- Provide a clear, unique Purchase Order number.

### 9. DESCRIPTION OF GOODS

- Identify Products as per Supplier's valid quotation or latest product catalogue, including pricing that matches the quotation.
- Direct any discrepancy to the primary contact named on the quotation.

### 10. DELIVERY DATE

- Unless otherwise agreed in advance, use the quoted delivery date.

### 11. END USER INFORMATION

- Every device must be registered to an end user (operator), even if employed by the purchasing company. Please include:
  - End user's legal name/company and department
  - Position/title of end user
  - Full mailing address (country, postal/ZIP code, province/state)
  - Telephone number and email address of end user

## TRAINING TERMS

---

### CANCELLATIONS

- More than 21 days prior to the scheduled start date: No cancellation fee will apply.
  - Between 21 and 7 days prior to the scheduled start date: Customer will be charged 50% of the obligated fee as an administrative charge.
  - Less than 7 days prior to the scheduled start date, or after training/service has commenced: Customer will be charged 100% of the obligated fee.
- Note: All cancellation fees are non-refundable and may not be credited toward other services or future training.

### CHANGES AND POSTPONEMENTS

- Change requests within 30 days of the scheduled start date: Customer will be responsible for any travel, accommodation, car rental, or related change fees incurred.
- Postponement requests within 14 days of the scheduled start date: In addition to the above, Customer will be responsible for any freight charges related to equipment already shipped.

Note: These fees are non-refundable and may not be credited toward other services or future training.

### RESPONSIBILITIES OF SDT NORTH AMERICA

- Provide a training manual for each attendee (maximum of 12 participants).
- Furnish all necessary training equipment required for class activities and hands-on exercises.
- Assign a qualified trainer for the full duration of the training.

### RESPONSIBILITIES OF THE CUSTOMER

- Confirm the number of attendees and designate a primary contact person to coordinate with SDT North America.
- Provide adequate training space conducive to learning.
- Furnish the following equipment: flip chart with markers, LCD projector, and screen.
- Coordinate training dates, location, and related logistics directly with SDT North America.
- Cover all instructor travel and accommodation expenses.
- Cover shipping costs for training manuals and required training equipment.

### LIABILITY & FORCE MAJEURE

- Limitation of Liability: SDT North America shall not be liable for any indirect, incidental, or consequential damages arising from the delivery or use of training or services. Liability for direct damages shall not exceed the total fees paid by the Customer for the specific training/service affected.
- Force Majeure: Neither party shall be held responsible for failure or delay in performance caused by events beyond reasonable control, including but not limited to natural disasters, government actions, strikes, labor disputes, acts of war, terrorism, pandemics, or failures of utilities or communication systems. In such cases, performance obligations will be suspended for the duration of the delay, and both parties will work in good faith to reschedule or otherwise mitigate the impact.

# LUBExpert®

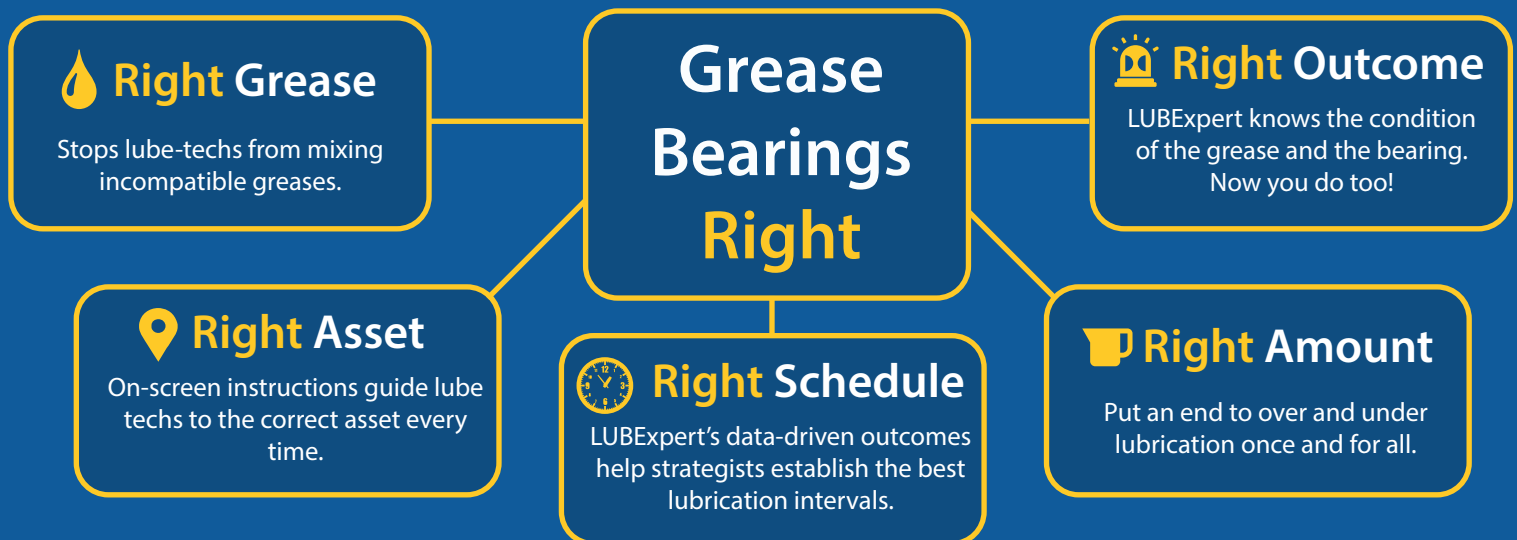

A complete ultrasound solution to manage your acoustic lubrication and condition monitoring program

## LUBExpert tells us when to grease... and when to stop.

Grease reduces friction in bearings. Less friction means longer life. LUBExpert alerts you when friction levels increase, guides you during re-lubrication, and prevents over and under lubrication.

## LUBExpert Dynamic connects the Lube Team with the ConMon Team.

LUBExpert Dynamic delivers advanced analysis of bearing condition. During grease replenishment, dynamic data is captured in the background. These outcomes are fed to the condition monitoring team to help assess real-time bearing condition.

## LUBExpert Features

### Bearing Database

LUBExpert maintains a database of all your assets including bearing type and dimensions.

### Guided & Free Modes

Lube techs can choose between "FREE" and "GUIDED" modes to grease bearings right.

### Shopping List

LUBExpert reminds you to bring the right grease type, gun, and quantity for the day's lube tasks.

### Automation

LUBExpert removes the guesswork by automatically calculating the stabilization time between grease pumps.

### Work Orders

The workflow inherent in LUBExpert restores order and discipline to your lubrication program.

### System Messaging

LUBExpert uses messaging to document each decision made by the lube-tech. I.E. "safety risk", "asset not in operation".

### LUBExpert Dynamic

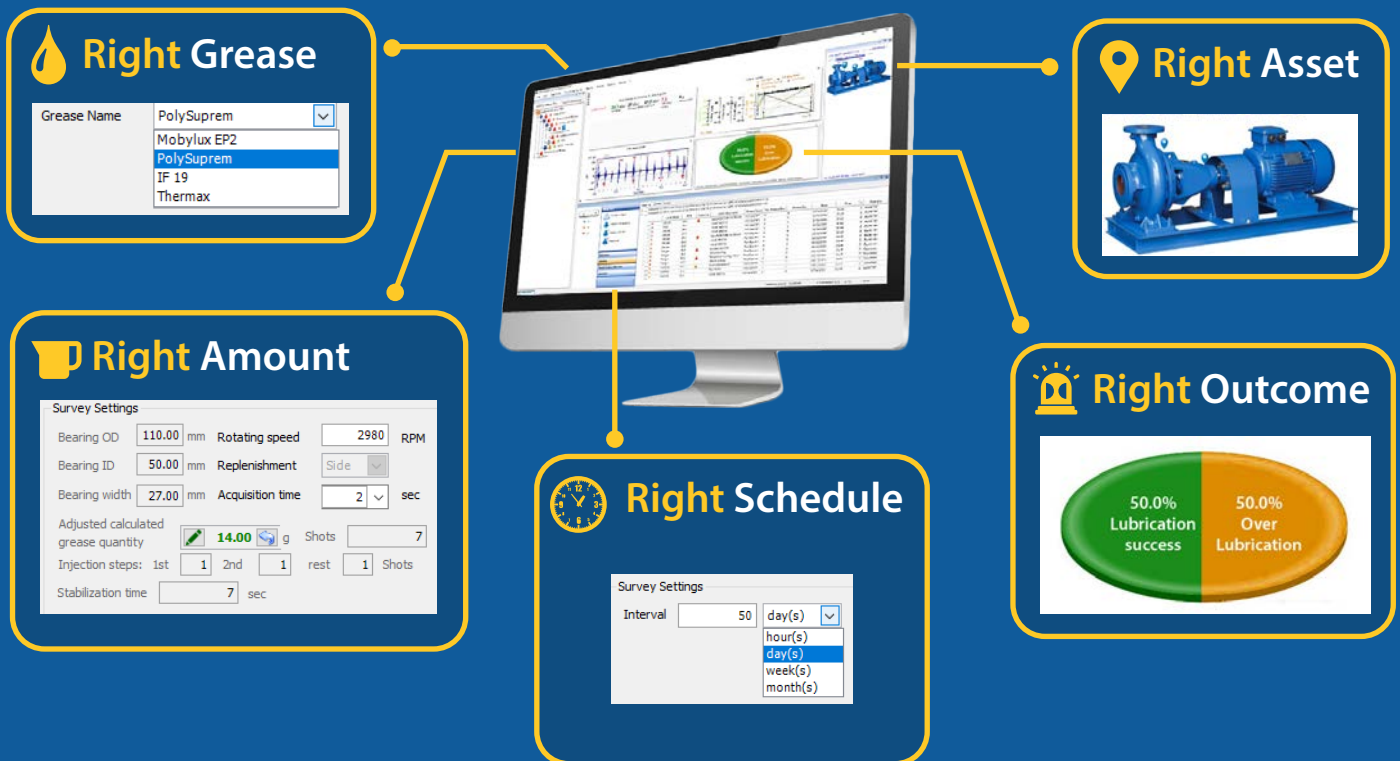

With the **Dynamic Option**, you'll reduce data collection time while increasing the efficiency and communication between the lube and condition monitoring teams.

# Ultranalysis<sup>®</sup> Suite 3

Manage, trend, and analyze your ultrasound data.

- Create hundreds of databases and surveys
- Track grease types and grease consumption
- Precise diagnosis with SDT's 4 Condition Indicators
- Sort assets by status: lubrication success/failure, over greased, shorten interval, suspected bearing failure, ...

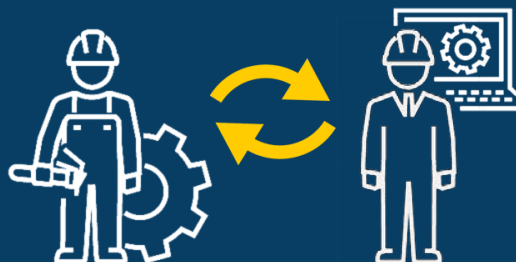

During any lube task, the **Dynamic Option** collects analytics in the background, thereby providing asset condition data to both the lube and condition monitoring teams. This is a win for communications, efficiency and overall reliability.

## Break Down the Silos

Dynamic data collected by LUBExpert is displayed in UAS3 in the Time and Frequency domain.

This dual reliability benefit saves time while removing information silos.

The lubrication team can now collect dynamic data for the condition monitoring team.

Asset condition information is now transparent across departments.

The **Dynamic Option** completely removes the information gap between lubrication and condition monitoring teams. By having the Lube Team collect and (if necessary) monitor Dynamic data, it becomes an integral member of the Condition Monitoring Team.

# LUBExpert Kit

- LUBExpert Standard Device
- Universal Battery Charger
- Ultranalysis Suite 3 (UAS3) Master
- Headphone, Neckband
- Shoulder Strap and Leather Belt Holder w/ Clip
- USB Cable
- SDT USB Memory Drive
- LUBExpert Custom Carrying Case
- LUBEsense1 Contact Sensor w/ Cable and Magnetic Bases
- LUBEAdaptor
- Grease Gun Mounting Cradle

## LUBExpert Specifications

General		Temperature Measurement	
External Sensor(s)	SDT LUBEsense1 only	Measuring Range	-70 to +380°C / -94 to +716°F
Internal Sensor(s)	Infrared Temperature	Accuracy (0 to 50°C / 32 to 122°F)	± 0.5 °C / ± 32.9 °F
Software Compatibility	Ultranalysis Suite 2 Ultranalysis Suite 3	Field of View (attenuation of 50%)	10°
System		Data Collector	
Operating System	Linux	Memory Capacity	More than 10,000 data distributed over more than 10,000 measurement locations
CPU	ARM9	Mechanical Characteristics	
Data memory	256 Mb	Display	Graphic Backlit LCD (128 x 64)
Signal Processing		Housing	Extruded Aluminum, Shockproof Rubber Protection
Dynamic range	109 dB	Dimensions	226 x 90 x 40 mm / 8.90 x 3.54 x 1.57 in (L x W x H)
Resolution	16 bits	Weight	830 g / 29.3 oz
Sampling rate	256 kHz	Operating and Storage Temperature	-15 °C to +60 °C / 14 °F to 140 °F
Response time	<10 ms	IP rating	IP 40
Ultrasound Measurement		Power	
Measuring Range	-15 to 120 dBµV	Battery	Rechargeable NiMH battery.
Resolution	0.1 dBµV	Nominal Capacity	4.4 Ah
Signal to Noise Ratio	-6 dB	Autonomy	+8 Hours
Bandwidth	36.1 to 40.4 kHz	Recharge Time	6 Hours
Condition Indicators	RMS, maxRMS, Peak, Crest Factor	Battery Charger	110-230 VAC, 50/60 Hz
Heterodyne Sampling Rate	8000 Samples/s (dynamic version)	Headphone	
		Noise Reduction Rating	25 dB

### Our Mission

SDT provides ultrasound solutions that help our customers gain a better understanding about the health of their factory. We help them predict failures, control energy costs, and improve product quality while contributing to the overall reliability of their assets.

 Amendment**Description \***

For the purchase of LUBExpert Dynamic System, Ultranalysis Suite 3 bearing fault frequency Database and cursor upgrade, adapter with grease couplers for preventative maintenance for our water and wastewater treatment plants.

Section 2-407 of the City of North Port Procurement Code provides guidelines for determining if good(s) or service(s) is/are a sole/single source. **All Sole/Single source requests will be posted on DemandStar & the City's Purchasing site for seven (7) business days.**

**Exemption Explanation (?) \***

SDT North American is the sole authorized source and exclusive distributor for the supply of SDT Ultrasound Solutions products that are proprietary to SDT and not available to purchase from any other source.

**Steps taken to verify these goods and/or services are not available elsewhere (?) \***

We obtained a sole source letter from the manufacturer.

**Other vendors that were contacted (?) \***

N/A

**Grant? \*** Yes  No**Technology Related? (?) \*** Yes  Renewal  No**Exemption****Reason \***

Attach documentation from the manufacturer certifying the vendor selected is the only distributor/dealer/contractor for the products or services in question and/or holds the production, unique capability, copyrights, trademark, and/or patent to the item, and check the following applicable statement(s):

Patent, copyright or unique design restrictions. (Sole Source)

Proprietary rights in technical data and/or product formulations (e.g. cleaning compounds, lubricating oils, paint, etc.), which can only be determined through extensive laboratory analysis and examination. (Sole Source)

Only producer, such as utility supplier or construction material supplier, that will meet the specialized needs of the department or perform the intended function. (Sole Source)

Direct replacement parts, equipment or supplies that must be compatible with original equipment already installed but available only from the original equipment manufacturer. Most manufacturers have more than one dealer or distributor for their products. When this is the case, competition between dealers and/or distributors may be possible, eliminating the "sole or single source" restriction. (Single Source)

When tests and/or demonstrations of equipment, supplies, part, etc. under actual operating conditions reveal superior quality, performance, design or other characteristics in a brand product(s), which is available from only one source. Testing must be performed as often as practical. (Single Source)

Purchases for a brand product are to be made from one selected supplier, even though there are other suppliers that provide similar products. Options, such as pricing, availability, servicing, have been vetted and a supplier has been chosen that best meets the City's needs. (Single Source)

Maintenance, repair services or warranty which require specialized test equipment, procedures, and technical expertise available only from the original equipment manufacturer or authorized/licensed dealer/field service representative. (Single Source)

The part(s)/equipment are required to permit standardization and operating efficiencies within the organization and the parts and equipment are only available through a sole or single source. If competition is available, the parts and equipment must be competed. For brand-specific items, quotes should still be obtained. (Standardization)

Other: None or some of the above apply. Provide detailed justification below.
