2025 Solid Waste, Recycling & Bulk Service CURBSIDE COLLECTION GUIDELINES

2025 CURBSIDE COLLECTION GUIDELINES: PLANTATION WEST

Dear Plantation Residents:

WM, in partnership with the City of Plantation, is pleased to be your environmental solutions provider. Please review our **2025 collection guidelines** to ensure you get the most from your curbside collection service. Thank you for your cooperation and being a valued WM customer!

SOLID WASTE

All **City of Plantation single-family and multi-family households with less than five units**, with the exception of Plantation Acres, Maleleuca Isles, Lago Largo, and Hawks Landing, are required to use **approved blue bags** for the disposal of residential solid waste.

Only **Plantation Acres, Maleleuca Isles, Lago Largo and Hawks Landing** are permitted to **use rollout carts**, provided by WM, for the curbside collection of household trash and recyclables.

Collection of solid waste is provided 2 times per week, with no service on Sundays or Christmas Day. Solid waste and recyclable materials must be placed **curbside prior to 7:00 am** on collection day. **Rollout carts need to be removed from curbside by midnight on collection day.**

YARD WASTE

On regular collection days, yard waste will be removed if tied in bundles not exceeding 6 feet and 50 lbs. Christmas trees are excluded from this bundling and weight limitation. Yard waste bundles need to be placed with your blue bags. **Limit of 2 bundles per blue bag only.**

Leaves and smaller yard waste will also be picked up on regular collection days if placed in clear bags. **An empty blue bag needs to be tied to each clear bag in order to be picked up.**

For customers receiving automated, containerized service, **palm fronds** must fit within the trash cart. For customers receiving collection service using the Pay as You Throw (PAYT) blue bags, up to five (5) palm fronds (not to exceed six (6) feet in length) may be set out for curbside collection.

RECYCLING

Recyclables need to be placed in approved clear recycling bags, or in approved rollout carts (for cart households) for curbside collection. All recyclable materials should be placed together in the same container. Recyclables should be clean and free of all food and residue before placing them in the recyclable bags/carts.

Recyclable materials include:

- Plastic bottles (e.g. used for soda, milk, water, detergents, shampoos, etc.).
- Paper products (e.g. newspapers, newspaper inserts, junk mail, catalogs, office paper, soft covered books, folders, cereal boxes, etc.).
- Glass containers (except blue glass) used for food, beverage or other uses.
- Cardboard boxes that are flattened (e.g. used for storage or shipping) including clean, empty pizza boxes.
- Aluminum, steel and tin cans.

Non Recyclable materials include:

- Food scraps and household garbage.
- Materials contaminated by food.
- Blue glass.
- Toys, cups, plastic bags and other miscellaneous plastics.
- Household hazardous waste, such as batteries, paint, or tires.
- Electronic materials.

Great things happen when residents Recycle Right®. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved.

Cart customers: Place clean, empty recyclables directly into your cart. **Don't bag your recyclables and no loose plastic bags.** (Instead, reuse or return plastic bags to local retailers).

Pay as You Throw (PAYT) customers: Please be sure to use official Plantation clear recycle bags.

• Please empty and make sure containers are free from food and liquid.

Check local drop-off programs for proper disposal

2025 BULK & YARD WASTE COLLECTION SCHEDULE: PLANTATION WEST

BULK WASTE

SINGLE FAMILY - Once monthly

Bulk should be placed curbside on the day before collection, however, if necessary, bulk may be placed curbside as early as the Saturday before collection. Items placed curbside outside of the designated collection schedule will be subject to violation and will not be picked up. Bulk trash includes large household trash that does not fit in rollout carts or bags. **No black bags will be collected with bulk.**

Acceptable bulk items include:

- Furniture, mattresses, white goods (washer, dryer, etc.), appliances, refrigerators (with freon removed), carpets & paddings, yard waste in clear bags, tree branches, & other yard waste.

For a detailed listing of acceptable items please visit [Plantation.org/bulk](https://plantation.org/bulk).

Tie loose items such as carpeting, etc.. Place glass in a rigid container that can be lifted safely. Keep solid waste blue bags separate from bulk waste.

Do not place bulk near mailboxes, power poles, on storm drains, under trees, etc., to allow for easy collection.

HOUSEHOLD HAZARDOUS WASTE (HHW) & ELECTRONICS RECYCLING

Household Hazardous Waste (HHW) includes paint, batteries, and similar materials. **Electronic Materials** include computers, computer monitors, televisions, printers, scanners, and similar devices. Neither HHW nor Electronic Materials are collected as solid waste, recycling, or bulk trash.

The City offers four quarterly drop-off events, which allow residents to dispose of these materials. This is available for Plantation and City of Sunrise residents only, proof of residency will be required.
