## UNIFORM BANK PERFORMANCE REPORT CHANGES

The Federal Financial Institutions Examination Council (FFIEC) is conducting a multiyear review of the Uniform Bank Performance Report (UBPR) content. Financial institution regulatory agencies, under the direction of the FFIEC Task Force on Surveillance Systems, have made enhancements to the Liquidity & Funding page 10 and the Liquidity & Investment Portfolio page 10A (Liquidity pages) to better facilitate a review of an institution's liquidity posture. These changes are viewed as improvements and will take effect on February 17, 2026. The changes to the Liquidity pages are detailed [here](#).

## EMERGENCY COMMUNICATIONS SYSTEM TESTING

The Emergency Communications System (ECS) is a communication channel established by the Federal Reserve Bank of St. Louis, which partners with the Department. ECS is the Department's primary form of communication during an emergency event. This system is available to all Georgia state-chartered institutions and allows the Department to establish two-way communication channels quickly and simultaneously with all registered financial institutions during a crisis so that essential information can be easily shared. We urge all Georgia state-chartered institutions to visit <http://bsr.stlouisfed.org/ecs> to register and maintain updated contact information.

For financial institutions already registered with ECS, the Federal Reserve Bank of St. Louis will conduct a test on Tuesday, March 3, 2026. Semi-annual tests are conducted to ensure contact information is up-to-date for all registrants. During the test, the Support Center will verify registrants' business email address, business telephone number, and business mobile phone number. A text will also be sent to the business mobile phone number that was provided at the time of registration with ECS. Registrants will be informed of the test in advance so they will not be alarmed when they receive the text message. If you have any questions or concerns, then contact the ECS Support Center at 877-327-5333 or [ecs.support@stls.frb.org](mailto:ecs.support@stls.frb.org).

## SPEAKING ENGAGEMENTS

Commissioner Bo Fears will participate in the Fireside Chat at the Independent Community Bankers of America (ICBA) ThinkTech Accelerator Regulator Day on Thursday, February 12, 2026. The event will be held at the ICBA Atlanta Center for Innovation located at 999 Peachtree Street NE, 2<sup>nd</sup> Floor, Atlanta, Georgia. Further information regarding the ICBA and the ThinkTECH Accelerator program can be found [here](#).
