\*topics subject to change

**Register early –  
programs fill quickly!**

Program is designed for K - 6th grade students. You must choose between the first or third Friday program since both programs each month are the same. This program requires parent/guardian supervision for the entire program and is not a drop-off program. Some programs will include outdoor activities so please dress appropriately. This program caters to individual homeschool families; therefore, homeschool organizations must schedule an educational field trip separately from this program. For additional information, please contact [gofisheducationcenter@gmail.com](mailto:gofisheducationcenter@gmail.com).

**Cost:** \$5.00 per person. This includes students, parents, and siblings. Siblings under the age of 3 are free. Program fees are payable on the day of the program. **As of this year, annual passes will no be longer accepted for homeschool programs.** Current annual passes will be honored through their expiration for this year. Library Passes are intended for general admission only and cannot be used for this or any other educational program.

**Space is limited and registration is required.** Registration is on a first-come, first served basis. To register, please send an e-mail to [gofisheducationcenter@gmail.com](mailto:gofisheducationcenter@gmail.com) with the following information: the name and grade level of the student(s), the name and age of any siblings, parent e-mail address and phone number, and the program dates you would like to attend. In the event that you are unable to attend a registered session, out of courtesy for others, please notify us at least 2 weeks in advance or as soon as possible. We would like to give others on our waiting list the opportunity to enjoy the program. We reserve the right to cancel a program if there are not enough participants signed up 5 days before the program.
