Dear IKM-Manning students, staff, parents, guardians, and community members:

As an administrative team we appreciate everyone's patience as we navigate through this unprecedented event for our district, state, and country. We are doing our best to keep up on communication, but we do not have all of the answers as the situation continues to evolve on an hourly basis. If you have questions or concerns please reach out to one of your administrative team.

New information in red.

Meals During Closure:

Starting Monday March 23rd the IKM-Manning CSD will be providing lunches every Monday during this period of school closures. Meals will be distributed in a pick up and go manner. We will provide a week's worth of meals in each individual sack. We will be distributing meals from 11:30 a.m. to 12:30 p.m. in Manning at the middle school entrance, Irwin at the school, and Manilla outside the gym where the shuttle buses load. **A survey was emailed to parents/guardians earlier today to determine the number of meals requested at each location. Please complete today's survey by noon tomorrow (Friday, March 20). If you know of anyone who did not receive the survey, have them call the school by noon on Friday to request meals.**

School Board Meeting 3/19/20

The school board meeting on Thursday, March 19 will be held in the high school library. Due to the new mass gathering restrictions, only 10 people will be allowed in the library at a given time. **We have sent a zoom link out through school alert to allow the public to view and participate. If you have a comment please use the chat button and the school board will unmute the individual for comment or will use your chat in the comment for the public hearing on the school calendar.** The school board meeting agenda is posted on the school website and will not include any discussion of facilities plans.

Facility Closure

Thank you to everyone who was so cooperative during the time we had the buildings open today. Special thanks to the IKM-Manning staff members who volunteered to assist with that effort, especially those who had to stand out in the cold, rainy conditions. Upon completion of the board meeting on March 19th, all IKM-Manning facilities will be closed until further notice. Only essential personnel as approved by administration will be allowed access.

Educational Resources:

Teachers will be sharing educational resources and opportunities with students. These are not required but rather provide our students and families with activities to promote learning during this extended school closure. Look for a communication (email, Google Classroom announcement, etc.) from teachers regarding these opportunities.

School Resumes

As of today we would resume school on Monday, April 13. We originally weren't scheduled to be in session on this date but if we are able to resume classes we will be in session on April 13.

Thank you for supporting a community of learners and citizens. Now more than ever, the strength of the wolf truly is the pack. Take care of each other.

Mr. Wall, Ms. Whitson, and Mr. Miller
