## BACK AND BETTER THAN EVER!

Since 1995, the Bindlestiff Family Cirkus has wowed audiences around the world with a one-of-a-kind blend of vaudeville, circus, and sideshow spectacle. Expect jugglers, acrobats, contortionists, plate spinning, and mind-bending feats.

This is not your average circus. It's a throwback to the caravan days of classic American circus tours, with a gritty, engaging twist that celebrates the sideshow's charm and the thrill of live performance.
