### Prospect Fire achieves 75% containment

(Harvard, Idaho- 9/11/22) The Prospect Fire has remained at 291 acres and is now 75% contained. Firefighters made excellent progress toward full containment yesterday and are expected to have the fire fully contained by end of shift today. Fire crews and engines will be released from the incident as mop up completes.

The North Idaho Type 3 Incident Management Team 2 (NIT3 IMT2) would like to thank all the fire crews, cooperators, and contractors for their commitment to fighting fire aggressively and safely throughout this incident. They would also like to acknowledge the support from the local community.

NIT#3 IMT2 wishes to recognize the sacrifices of our fellow first responders on this 9-11. Never forgotten.

**Temporary Flight Restrictions (TFR):** Has been rescinded.
