DEPT. OF LANDS
FEB 21 2023
BOISE, IDAHO

Mr. Scott Phillips
Idaho Department of Lands Policy
and Communications
300 N. Sixth Street
Boise, ID 83702

Dear Scott:

I wanted to express my appreciation for Robbie Johnson's assistance with our public information issues during the Idaho Four Homicide.

During Robbie's time with us, she helped us to maintain an even keel with the media. Your willingness to allow her to come to Moscow is appreciated more than you ever know. Her help with press releases, interactions with press, and our news videos were invaluable to our department.

Thank you for sacrificing your department's needs for ours during this time. I will never be able to repay you for your generosity. The Department of Lands is extremely lucky to have someone of Robbie's caliber. If I can ever be of service to you, please do not hesitate to contact me.

Sincerely,

James D. Fry Jr.
Chief of Police
