2023 CONTRACT A
Concrete Curb, Sidewalks and Driveway Aprons
NO DRIVEWAY ACCESS STARTING 9/19

Date: September 15, 2023

Dear Resident:

The contractor will begin replacement of the concrete curb, sidewalk and driveway apron work on September 19. This phase of work includes construction of curb, driveway aprons, and sidewalks.

IN ORDER TO COMPLETE THIS WORK, ACCESS TO YOUR DRIVEWAY WILL BE CLOSED STARTING AT 7:00 A.M. ON TUESDAY, SEPTEMBER 19.

This restriction should last approximately fourteen (14) days. We will take samples to determine the strength of the concrete. As soon as the concrete has cured to allow traffic, the contractor will remove barricades to allow access.

All work is weather dependent and unknown utilities may cause delays.

During working hours (Weekdays, 7:00am to 6:00pm), please do not park on Millers Rd. Please park your vehicles on nearby side streets.

During non-working hours, you may park your vehicles on the street.

Whenever possible, please try to limit your trips through the work zone during working hours. Your patience and cooperation are greatly appreciated during construction.

If you have questions or concerns about this project, please contact me at **(847) 391-5388** or **bshipp@desplaines.org**. If I am not available, please leave a message and I will return your call as soon as possible.

Sincerely,

A handwritten signature in black ink, appearing to read 'Becka Shipp'.
