SATURDAY
10AM-12PM

COMMUNITY CLEAN-UP DAY!

Clean-up | Donate | Hang-out | Win Prizes

5th and Rose Avenue

We love our neighborhood and we bet you do too. That's why we're coordinating what will hopefully be the first of many annual Community Spring Clean-up days. Because what would make spending time outside preparing for a new season even better? *Doing it together!*

So join us as we all step out of hibernation to beautify our neighborhood as a team:

- Pick up trash, fallen branches, and leaf debris
- Take down holiday decorations
- Lend a hand to a neighbor as they tidy up their property
- Donate non-perishable food items to the Pantry of Des Plaines (current needs are cooking oil, pasta sauce/noodles, pancake mix, and non-condensed soup)

When: Saturday, March 23rd from 10am-12pm

We'll be coming around with yard waste bags donated by our local Ace Hardware and gathering contact info for the raffle. Make sure to be outside during the 2 hours so we don't miss you! Each household involved may have one entry to our raffle for great prizes such as a \$100 Ace Hardware gift card, two \$50 Pesche's gift cards, two 16" pizzas from Giuseppe's, \$25 Beacon Tap gift card, bird feeder from The Wildbird Shack, or an "I Love Des Plaines" t-shirt from the Des Plaines History Center.

We're excited to meet some new people and see our neighborhood come alive! Text Amanda at 847-560-1801 to let us know that you're participating or with questions. If it rains, snows, or is below 40 degrees, we will reschedule for the following Saturday.

We'd like to THANK our generous local sponsors:
