Ottawa St (Bellaire Av to Geri Ln)

Reference: **2024 Capital Improvement Project – Street Improvements  
Contract 24-00229-00-RS**

Dear Resident:

The contractor will begin the street milling and resurfacing on your street during the following dates:

**AUGUST 8 through AUGUST 22**

NO PARKING will be allowed on the street weekdays between 7:00 AM and 6:00 PM during these dates.

You will generally have access to driveways at all times, however there may be limited access to the street and driveways while the contractor is working.

The contractor will generally work on the locations in the order listed on above. The work consists of removing the top layer of asphalt, cleaning then patching as needed, then paving the new asphalt surface layer. It will take approximately 3-4 days to complete the work per street, however, there may be gaps between the removals and paving operations.

If you have questions or concerns about this project, please contact **Nick Rankin** at **773-682-2243**, [nrankin@chastainengineers.com](mailto:nrankin@chastainengineers.com) or **Becka Shipp** at **847-391-5388**, [bshipp@desplaines.org](mailto:bshipp@desplaines.org) .

Sincerely,

City of Des Plaines  
Public Works and Engineering Department
