ROADWAY EXCAVATION

Date: September 27, 2024

Dear Resident:

The week of September 30, the contractor will continue concrete removals and begin the roadway excavation phase. The contractor anticipates this phase of work will take approximately 12 days.

The contractor will excavate for the new roadway pavement. The contractor typically works in 200 to 300 foot sections at a time. They will begin at Harding and proceed to the south towards Miner.

The street and your driveway may have limited access during working hours. At the end of each working day, access will be provided to all driveways.

All work is weather dependent and unknown utilities may cause delays.

Please do not park on the street during working hours (Weekdays, 7:00am to 6:00pm). Park vehicles on nearby side streets.

Whenever possible, please try to limit your trips through the work zone during working hours.

Your patience and cooperation are greatly appreciated during construction.

If you have questions or concerns about this project, please contact **Nick Rankin** at **773-682-2243**, nrankin@chastainengineers.com or **Becka Shipp** at **847-391-5388**, bshipp@desplainesil.gov .
