The Des Plaines Police Department received a complaint about suspicious activity at a business on 000-100 block S River Road. The complainant observed unusual behaviors, such as older males entering on foot, covered windows, no business license, and female workers in unusual revealing clothing. After investigating, detectives found the business, River Spa, listed on websites linked to prostitution. They obtained a search warrant and conducted an undercover operation where Chia Lin, a worker, offered illicit services. She was arrested and charged with prostitution.
