Attention Residents: Western Av (Miner to Harding)

Reference: 2024 Capital Improvement Project – Street Improvements
Contract 24-00229-00-RS
Asphalt Surface Pavement Work

Date: October 24, 2024

Dear Resident:

On October 28, the contractor will begin paving the final surface course of asphalt pavement. The contractor anticipates this phase of work will take approximately 1-2 days.

The contractor may begin miscellaneous preparation at any time prior to placing the surface, such as milling the intersections, preparing the edge butt joints, sweeping, cleaning and spreading the tack coat (oil) on the roadway.

All work is weather dependent and unknown utilities may cause delays.

The street and your driveway may have limited access during working hours. All driveways will be accessible once this phase of paving is complete.

During working hours (Weekdays, 7:00am to 6:00pm), please do not park on Western Av. Please park your vehicles on nearby side streets.

Whenever possible, please limit your trips through the work zone during working hours. Your patience and cooperation are greatly appreciated during construction.

If you have questions or concerns about this project, please contact **Nick Rankin at 773-682-2243, nrankin@chastainengineers.com** or **Becka Shipp at 847-391-5388, bshipp@desplainesil.gov**.

Sincerely,

CITY OF DES PLAINES
