OFFENSE: Burglary / Warrant
DATE/TIME: 04/06/2025 11:20 p.m.
LOCATION: 4500 Block of N. Keokuk Avenue Chicago, IL 60630
REPORT#: 23-15205
SUBJECT NAME: Gonzalez-Luna, Luis
DATE OF BIRTH: 01/31/1970
ADDRESS: 4543 N. Keokuk Ave. Chicago, IL 60630

In June of 2023 the Des Plaines Police Department responded to the Comfort Inn Hotel located in the 2100 Block of E. Touhy Avenue regarding the report of a burglary. Once there, the officer spoke with the complainant who stated that they rented a Jeep Grand Cherokee from Avis Car Rental and had parked it in the hotel parking lot at approximately 8:30 p.m. on June 24, 2023, on the east side of the parking lot. When the complainant returned to the Jeep the following morning, they discovered that all four tires were punctured/flat, the dash media display screen was cracked, there were cigarette burn marks in the front passenger seat, the rear passenger seat had been cut. Additionally, there was a beer bottle located on the rear passenger seat that the complainant advised was not his. There did not appear to be signs of forced entry to the vehicle so it is unknown if the doors were locked at the time of the incident. All items of evidentiary value were recovered by an Evidence Technician and the case was turned over to the Investigations Division for follow-up.

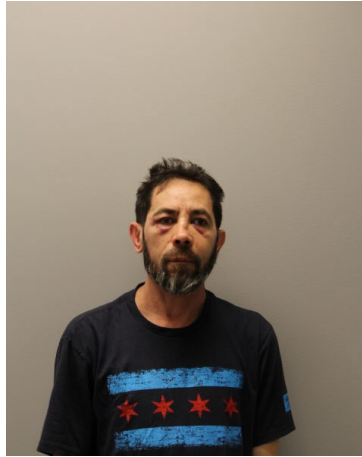

On June 28, 2023, Detectives went to speak with the manager of the hotel regarding surveillance footage of the incident and spoke with the manager. The manager related that after reviewing the footage, she could identify the subject who entered the Jeep as the above, Luis Gonzalez-Luna, due to him frequenting the business. The manager also advised that Gonzalez-Luna had been a registered guest of the hotel on the night of the incident. The Detective then reviewed and recovered the surveillance footage which shows the male subject identified as Gonzalez-Luna approach the Jeep on four separate occasions between 12:58 a.m. and 3:57 a.m. the night of the incident. Gonzalez-Luna is seen opening the back hatch and walking around it multiple times. Detectives attempted multiple times over the course of the investigation to contact Gonzalez-Luna but were met with negative results.

Due to the subject being positively identified in the video footage, Detectives contacted the Cook County State's Attorney's Office requesting and later approving felony charges. An arrest warrant for Gonzalez-Luna was obtained on March 22, 2024.

On April 6, 2025, DPPD received notification that the Chicago Police Department had Gonzalez-Luna in custody. Des Plaines officers traveled to the CPD District 16 and met with CPD who then turned Gonzalez-Luna over to them. Gonzalez-Luna was then transported to the Des Plaines Police Station for further investigation. Gonzalez-Luna was given his Miranda Rights which he waived and agreed to speak with Detectives where he admitted to being inside the car and causing damage.

Gonzalez-Luna was subsequently arrested for one felony count of Burglary and one count of the Issuance of a Warrant. He was later brought to a Cook County courthouse for a detention hearing.

OFFENSE: Possession of a Controlled Substance / Traffic
DATE/TIME: 04/08/2025 1:51 a.m.

REPORT#: 25-01782
SUBJECT NAME: Albrecht, Jack
DATE OF BIRTH: 12/09/1996
ADDRESS: 708 S. Elm St. Palatine, IL 60067

Des Plaines police were on patrol traveling west on Oakton Street near Lee Street when the officers observed a gray Subaru Legacy on the roadway with what appeared to be expired state registration. The officers ran the license plate through the database and confirmed that the state registration was in fact expired before activating her overhead emergency lights and curbing the vehicle in the 800 Block of W. Oakton Street. As the officer approached the driver, later identified as Jack Albrecht, it was noted that he was the sole occupant of the Subaru at the time of the stop. Albrecht was asked for his driver's license and proof of insurance while being informed for the reason of the citation. While the items were being retrieved, the officer observed a beer bottle cap on the floorboard directly below the steering wheel. Albrecht appeared nervous and was visibly shaking while interacting with the officers. The officer then asked Albrecht if he had consumed anything to drink before driving which he admitted he had and then confirmed the beer bottle cap on the floorboard. Albrecht was asked to exit the vehicle to perform Standardized Field Sobriety Tests, which he agreed and while exiting the open but empty beer bottle was observed in the driver's door. A brief search of Albrecht's person was conducted when officers observed an item in his right pocket consistent with a small plastic bag commonly known to the use of narcotics. Without removing the item, the officers asked Albrecht about the bag when he removed it from his pants and turned it over to the officers. The officer then noted that inside the bag was a white powdery substance, suspected of being cocaine.

The officer conducted the SFST's to determine if Albrecht was intoxicated to which he did not show signs of impairment. Albrecht was placed into custody and then

Once on scene, the officer observed a female in the Toyota asleep behind the wheel of the vehicle. The officer woke Vicks up who then appeared highly confused and spoke thick tongue/slurred her speech. Vicks admitted to rear ending the car in front of her and stated she was tired and that is why she was sleeping. Multiple medication bottles were observed in a backpack in the passenger seat. The officer requested that Vicks exit the vehicle, to which she complied and then gave the officer permission to search the vehicle. Upon doing so, the officer observed that the medication bottles were not labeled, and he was unable to determine if Vicks was prescribed those medications. Inside an Altoid tin was located multiple different color tablets, some of which were partially crushed.
