DATE/TIME: 05/06/2025 3:12 a.m.
LOCATION: 3000 Block of S. Des Plaines River Road
REPORT#: 25-02330
SUBJECT NAME: Davis, Kevin
DATE OF BIRTH: 06/24/1989
ADDRESS: 2925 W. Lexington St. Chicago, IL 60644

Des Plaines Police responded to the Rivers Casino located in the 3000 Block of S. Des Plaines River Road for the report of an unwanted subject. When the officers arrived, they contacted the identified subject, later known as Kevin Davis, standing near the Rivers Casino security staff. Security stated they were no longer allowing Davis to be on the property and wanted him cited for trespassing since he had been advised to leave and was refusing. The officers then spoke with Davis, who refused to provide identification, and told him that the security staff were not allowing him to remain on the property. Davis ignored the officer and continued trying to speak with security. Davis was given multiple chances to leave the property and his failure to do so would result in being issued a City Ordinance violation for Trespassing. Davis refused and was again asked for his identification for the citation when he stated that he was “sovereign” and refused to provide it. The officer informed Davis that his refusal to provide his information is obstructing his investigation and he would be taken into custody. Davis did not comply with the officers and was handcuffed. A search of his person resulted in finding a small container with a white powdery substance in Davis’s left pant pocket, suspected of being cocaine.

Davis and the substance were both transported to the Des Plaines Police station where the substance was tested using a Narcotics Identification Kit. The test was positive for the probable presence of cocaine and weighed approximately 0.62 grams. Davis was still refusing to identify himself which resulted in the officers conducting a fingerprint inquiry and learning that he was Kevin Davis. Davis was subsequently arrested for one felony count of Possession of a Controlled Substance; one misdemeanor count each of Obstructing a Peace Officer and Criminal Trespass to Real Property. Davis was cited and released with his court information.

Des Plaines Police responded to a hit and run accident at the intersection of Touhy Avenue and Mount Prospect Road on May 6, 2025, at approximately 7:28 p.m... The officer responding to the scene observed a Toyota Rav4 and a Hyundai Elantra both with rear end damage, the Hyundai also having front end damage. After speaking with the parties involved, it was learned that the Hyundai was traveling behind the Toyota, and they were both stopped at the red light on Touhy Avenue just west of Mount Prospect Road in the middle lane of traffic. A black Toyota sedan had failed to reduce speed and struck the Hyundai causing it to propel forward into the Toyota. After the accident, the black Toyota sedan fled the scene without providing information to either party left on scene.

At approximately 8:03 p.m., the Cook County Sheriff's Police Department notified officers that a black Toyota Camry, a vehicle matching the description of the vehicle that fled from the accident, was in the 500 Block of McKinley Avenue. CCSPD was called to the area regarding another accident where the Camry struck three parked vehicles. Officers responded to McKinley Avenue and observed the Camry with front end damage consistent with the damage that would have been caused due to the accident on Touhy Avenue. While speaking to the CCSPD officers, the subject (later identified as Cesar Caixba) began resisting being placed in handcuffs. Des Plaines officers assisted CCSPD with placing Caixba into custody and during that time, Caixba grabbed one of the officers' wrists and refused to let go. Caixba was eventually placed in handcuffs and remained in the custody of the CCSPD officers. It was then learned through running his information through the database that he did not have a valid driver's license, a license was never issued by the Illinois Secretary of State. The license plate inquiry for the Toyota Camry alerted officers that there was no valid registration, said registration was cancelled, suspended, or revoked by the Illinois Secretary of State.
