## City of Evanston 2017 Parking Garage Improvements

August 9, 2017

### Project Description

Over the next two months the City of Evanston will be contracting improvements at Sherman Avenue Garage and Maple Avenue Garage. The project is funded through the City's Parking Fund. Improvements at Sherman Avenue Garage will include:

1. Concrete Repair.
2. Traffic Coating replacement where the existing coating is visibly worn.
3. New elevator floor finishes.

Improvements at Maple Avenue Garage will include:

1. Traffic coating replacement where the existing coating is visibly worn.
2. New elevator floor finishes.
3. Reapplication of pavement markings.

### Project Schedule

This project is anticipated to begin in **August 2017** and be complete in **September 2017**. During construction, both garages will remain open to the public at all times. Construction area parking restrictions within portions of the garages will be intermittent throughout the duration of the project and will be noticed with temporary no parking signs posted 48 hours prior to the start of work. Temporary closures at garage entrances are also required but will be staged to allow for continual garage operation. Every effort will be made to minimize inconveniences during construction.

### Contractor

The general contractor for this project is Bulley & Andrews Concrete Restoration, 1755 W. Armitage Avenue, Chicago, Illinois 60622.

### City Monitoring

The City's Capital Planning and Engineering Bureau will be responsible for monitoring this project. If you have any questions or concerns during construction, please contact **Shane Cary**, at **3-1-1** or **847-448-4311**.
