

**Notice of Temporary Traffic Control Plan
Sewer & Water Main Installation
January 23rd, 2018 thru February 6th, 2018**

January 16, 2018,

Location and Limits of Affected Area:

On Central Street between Hartrey Avenue and Prairie Avenue.

Description of Work:

PJS Sewer & Water, Inc. will require a usage of south lanes on Central St. affecting eastbound & westbound traffic due to the Water & Sewer Installation over at 2022 Central St. There will be a reduction of lanes on Central St. starting from Hartrey Ave. and ending before Prairie Ave from 8:30AM to 4:00PM. Parking Meters will be impacted on both the North and South side of Central Ave.

Please take extreme caution, due to several workers and equipment being used. There will be signage in the area to assist vehicles and pedestrians, during working hours. Sidewalk detour will be provided to pedestrian traffic during the construction working hours. After working hours the street will be secured with steel plates for proper vehicle and pedestrian traffic. Please stay alert and thank you for your patience!
