**Notice of Construction Work and Traffic Control**  
**Crown Castle to Install Underground Facilities**  
**Along Howard St. and Chicago Ave.**  
**2/5/2018 – 2/28/2018, Mon – Thurs, 8:30am – 4:00pm**

**Location and Limits of Affected Area:**

Along Chicago Ave., between Howard St. and Juneway Terrace  
Along Howard St., from Chicago Ave. to N. Paulina St. northbound

**Description of Work:**

Starting Monday, 2/5/2018 and finishing no later than Wednesday, 2/28/2018, Crown Castle contractors will begin work on installing an underground telecommunications line along Chicago Ave. and Howard St.

On Howard St., traffic will be shifted in order for construction vehicles and equipment to occupy the north side of the street during construction, while maintaining two-way traffic at all times. Lanes will return to normal during non-working hours. Parking on the south side of Howard St. will not be allowed between 2/5 and 2/28. Parking meters will be hooded, and signs will be posted indicating no parking allowed. Traffic will be reduced to one lane when passing underneath the CTA overpass near N. Paulina St., and flagging personnel will be on-site to direct drivers accordingly.

On Chicago Ave., traffic lanes will be reduced, and flagging personnel will be on-site to direct drivers during certain periods of construction.

See the attached map for more information.

**Purpose of Work:**

Expansion of fiber optic telecommunications network, to support future communications service improvements.

PLEASE STAY ALERT WHEN DRIVING, AND THANK YOU FOR YOUR PATIENCE.
