How Do I Get the COVID-19 Vaccine?

If you live or work in Evanston, you can get vaccinated! Here's how it works

Step 1. Tell Us You Want It!

- To get on the City's vaccination list, fill out a Vaccination Contact Form at **cityofevanston.org/vaccine** or call/text **847-448-4311**.
- The form will ask you a little bit about yourself to determine when you're eligible.
- Once you've submitted the form, you'll get a confirmation within a week that we've received it.

Step 2. Wait!

- Wait for the City to contact you. The City does not control how many vaccines it receives from the state. The process will take time, so please be patient!

Step 3. Schedule Your Vaccination!

- The City will contact you by email or phone to make an appointment.

Step 4. Get Vaccinated!

- Show up for your appointment 5 minutes early.
- If you live in Evanston, bring proof of address. If you work in Evanston, bring proof of employment.
- There is no cost to receive the vaccine. Health insurance is not required.
- After getting the vaccine, you still need to continue to mask, social distance, and wash your hands regularly.
