Church Street Resurfacing Project

(Gross Point Road to Dodge Avenue)

April 27, 2021

Project Description

This newsletter is to inform you that Illinois Department of Transportation will be contracting road resurfacing work on Church Street from Gross Point Road in the Village of Skokie to Dodge Avenue in the City of Evanston. This project involves curb replacement as needed, accessible ADA ramps at the intersections, roadway base repair and replacement of asphalt surface from curb to curb along with the roadway striping. The funding for the project will be from Illinois Department of Transportation Funds.

The limits of work on Church Street in the City of Evanston include:

- ***Bridge over North Shore Channel to Dodge Avenue***

Construction will begin **the week of May 3** with the entire project is expected to be fully completed by the **end of September 2021**. The construction work will be intermittent and extends from Gross Point Road in the Village of Skokie to Dodge Avenue in the City of Evanston. The actual date when construction is planned on Church Street will be noted on the temporary **NO PARKING** signs posted 48 hours prior to the start of work. The construction activities will create some inconvenience for abutting residents, but we will attempt to minimize these inconveniences. Construction zone daytime **NO PARKING** restrictions will be intermittent throughout the duration of the project; evening and nighttime parking (5:00pm to 7:00am) will always be available. Street sweeping and/or neighborhood parking restrictions may be waived for a one block radius around the construction zone when temporary daytime **NO PARKING** is in effect.

Contractor

The contractor for this street improvement project is Builders Paving LLC, 4413 Roosevelt Road, Hillside, IL 60162. The contractor is contractually responsible for the means and methods of the work.

City Monitoring

The project is under the supervision of **Illinois Department of Transportation**. The Resident Engineer in the field will be **Anthony Lee** who will be directly responsible for all aspects of the construction. If you should have any questions or concerns, please contact the Resident Engineer at **847-508-2573**. Questions about the Church Street Resurfacing Project in general should be directed to **Sat Nagar, P.E., Senior Project Manager** at 3-1-1 or 847-448-4311.
