McCulloch Park Renovations

May 10, 2021

Project Description

Over the next four months the City of Evanston will be contracting renovations at McCulloch Park (located north of Livingston Street and south of Jenks Street between Eastwood Avenue and Broadway Avenue). The project will include a new playground, a new basketball court, new pathways, new LED lighting, new site furnishings, and landscaping as well as relocation of aerial utility lines.

Project Schedule

This project is anticipated to begin in **May 2021** and be completed in **August 2021**. During construction, the park will be closed to the public. Construction activities may create some inconveniences for adjacent residents but we will attempt to minimize these issues. Limited parking restrictions on adjacent roadways will be required to accommodate construction activities and will be signed with temporary "NO PARKING" signs posted 48 hours in advance.

Contractor

The project's general contractor is Hacienda Landscaping, 17840 Grove Rd, Minooka, IL 60447.

Project Monitoring

The project is monitored by the City's Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Stefanie Levine, Senior Project Manager, at **3-1-1** or **847-448-4311**.
