RE: Shutdown of Emerson Street between Orrington and Sheridan Road.

Dear Emerson Street Resident,

Northwestern Facilities department is currently doing a steam distribution improvement project near 619 Emerson St. See the attached map for detail.

The work will require a 1-week road closure of Emerson St between 619 Emerson St. and Sheridan Rd.

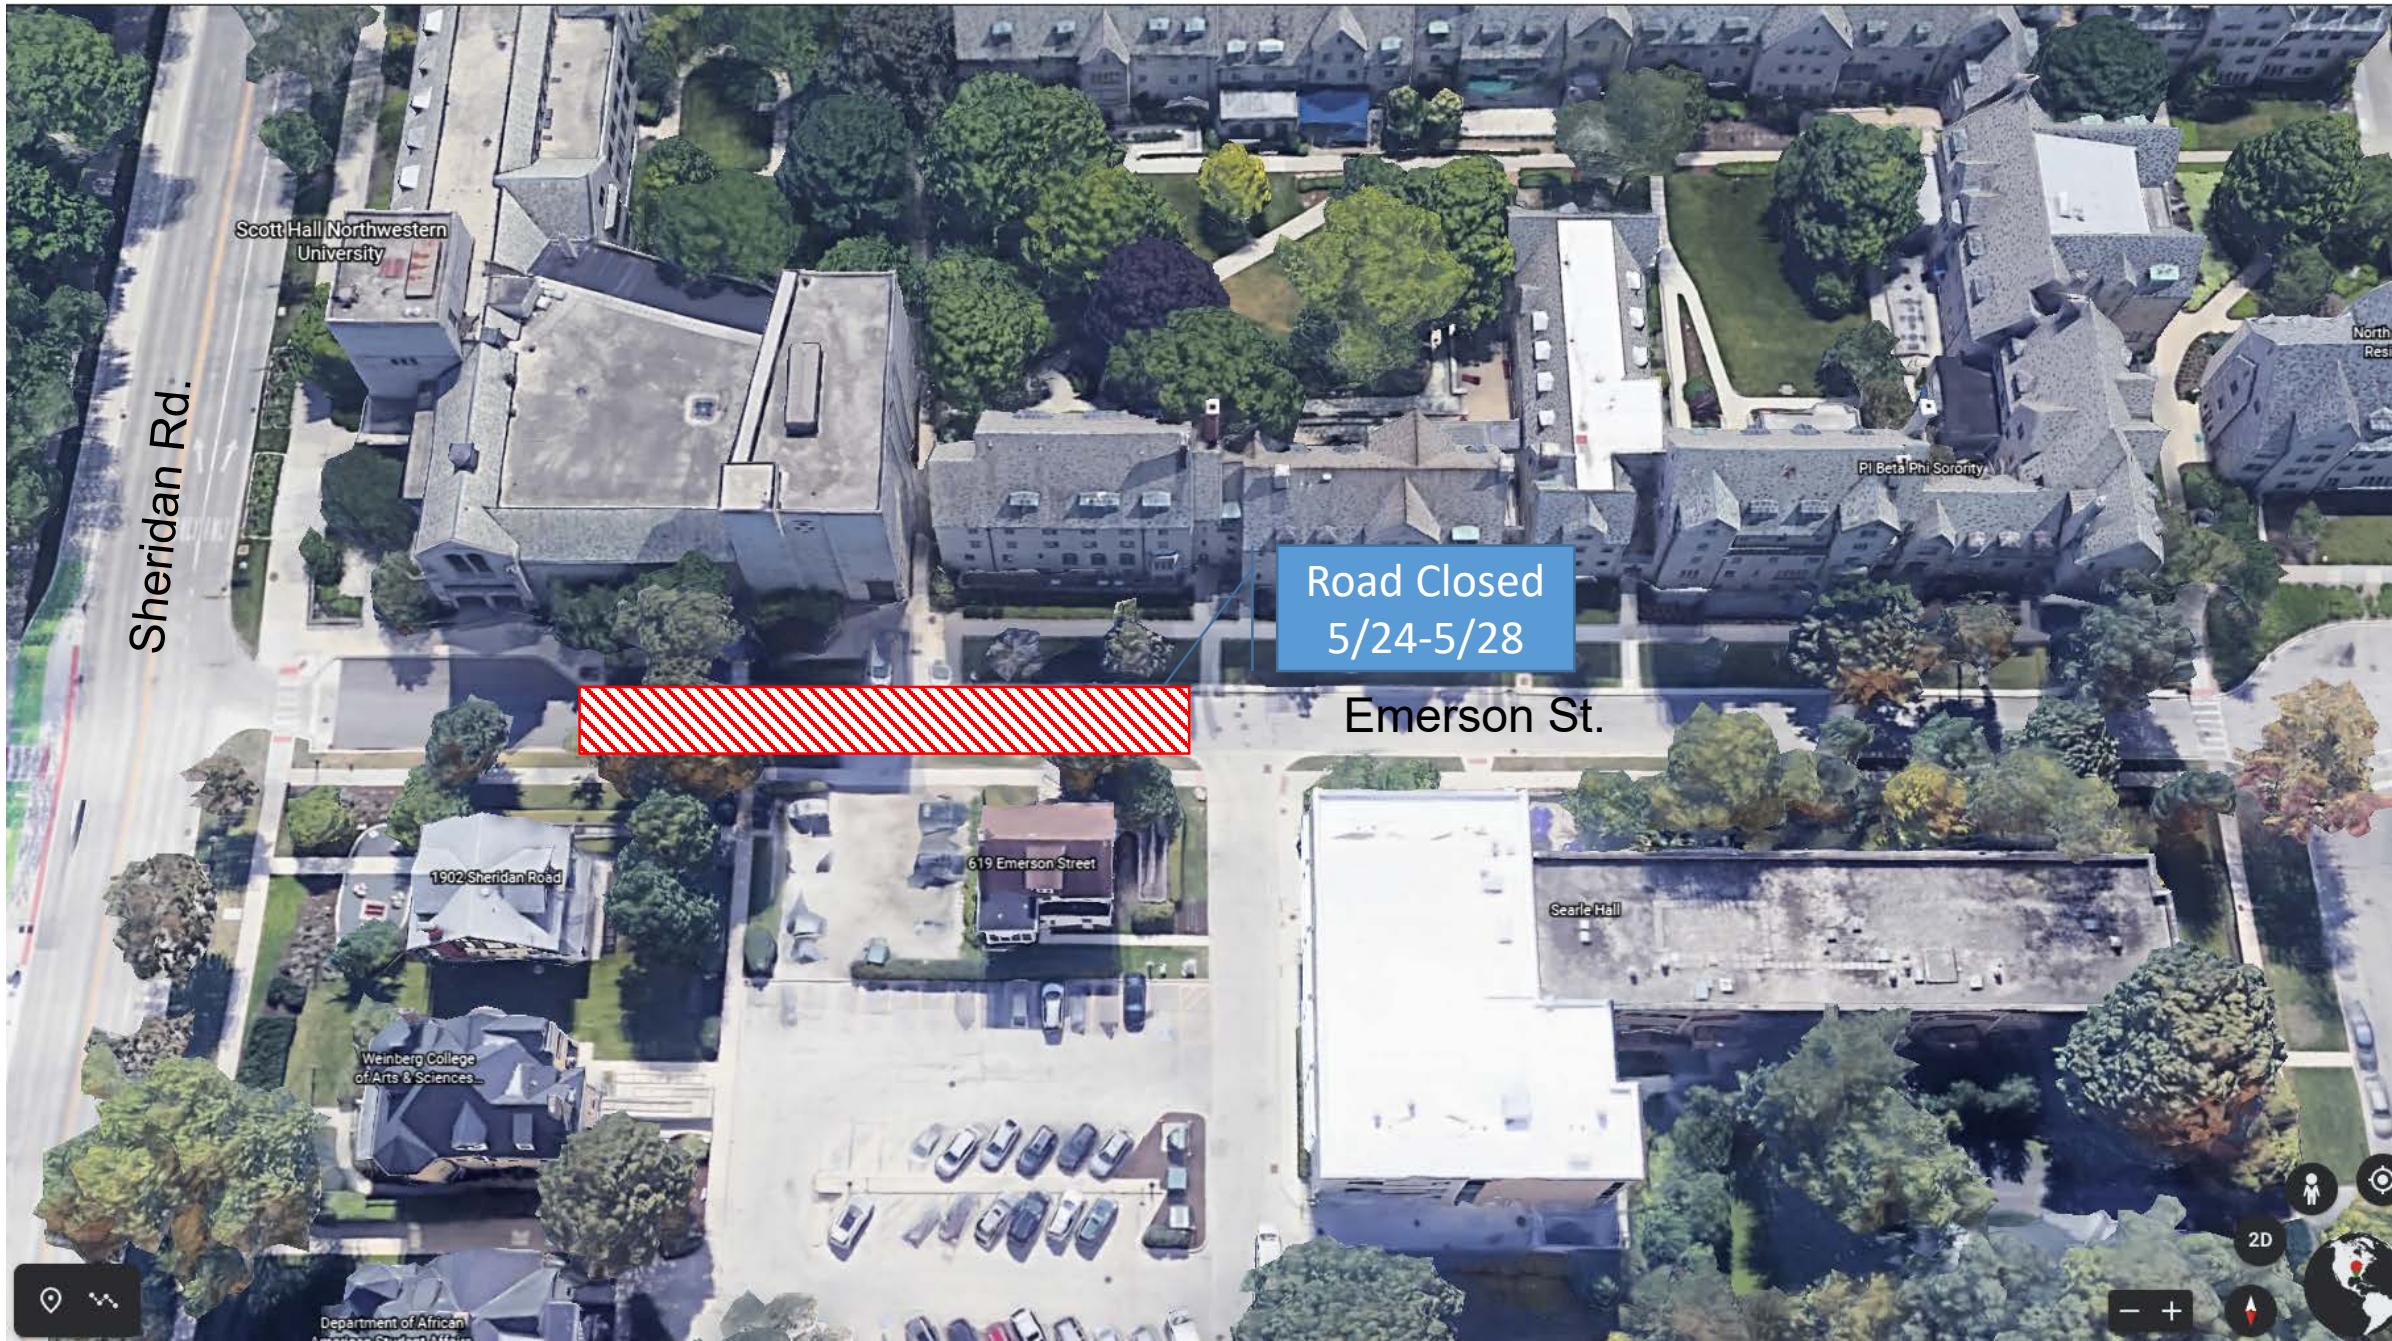

The closure will be in effect from **Monday, May 24th through Friday, May 28th**. Traffic will be able to access the parking lot east of the Searle Health Center building. Normal traffic pattern will be restored by Monday, May 31st.

For any questions, please contact me at 262-770-2041.

Thank you for you patients.
