

EVANSTON SKATE PARK

Join us in planning for Evanston's future Skate Park!

BIG THANKS to everyone who came out to the last public meeting and took our community poll! The City of Evanston is working with the community to design a new skate park at the east end of Twiggs Park. *We need your help to make this park the best it can be.*

Save the Date for Public Meeting #4

This meeting will review the design work completed to date, present two refined skate park concepts, and solicit your input to help make this improvement a success.
