## **Basketball Over 40**

We want to get players over forty back into the game they know and love. Basketball Over 40 levels the pick-up basketball environment and brings like-minded, competitive adults together for a good run.

We differentiate ourselves from a typical open gym in two ways:

1. We stress the commitment to creating a "basketball community" through three paramount aspects: Competition, Courtesy and Camaraderie. Basketball players are encouraged to compete aggressively, but we know it must be within an atmosphere of courtesy and camaraderie.
2. We utilize the True Potential Team Selector App, an iPad app that uses AI and machine learning to create the most evenly-matched teams possible, which leads to maximum competition and level of play.

In addition, we provide the reversible jerseys, keep time and score, and sponsor the post-game get-together (if interested!) afterwards. Game on! This class will be every Thursday unless stated otherwise. No play 11/24
