for the Evanston Parks & Green Space Strategic Plan

**Robert Crown Community
Center, Room B/C**

August 3, 2023, 6 p.m. - 8 p.m.

1801 Main St, Evanston, IL 60202

The City of Evanston is developing a Park and Green Space Strategic Plan to inform future policies and projects for your local parks, playground, natural spaces, and beaches.

This first public workshop will be a chance for you to tell us about the parks you visit, the events you participate in, and your visions for the City's park system over the next ten to twenty years. As a part of the workshop, the City will share the plan's analysis and early findings from a community survey.

We want to hear from you!

Help us craft the plan together!
