

Levy Pickleball Workshops Fall 23

Important Information!

All levels of play require side-to-side mobility and hand/eye coordination. It's a fun sport, but you need flexibility and coordination. Those who have experience playing racquet sports will enjoy and develop more quickly.

Beginners

After the basics are taught with rules of play, keeping score, and positioning, learn to improve your play individually improving your skills and confidence. We will continue to review and practice at a slow and fun pace. The first half of class will be instructional, followed by open play. All equipment will be provided. No experience is required. No class on 9/25.

Advanced Beginners

This workshop is a continuation of the beginners' class. This is for players with some knowledge but lack confidence in hitting the ball consistently. We will reinforce strategy with serves and returns, better shot placements, dinking, punching, lobs, footwork and movement, and communicating with your partner. Some may need to repeat this workshop several times before advancing to the next level.

Intermediate/Easy Play

For players with more court experience, looking to improve the consistency of their shots and game strategy. This clinic will help players to develop and maintain a solid serve and return of serve shots. In addition, we will review stroke mechanics and footwork for ground strokes and volley shots. There will be an emphasis on the dink and ways to develop this very important skill. All learning will be reinforced through gameplay. No class on 9/25.
