

# TOWN HALL MEETING

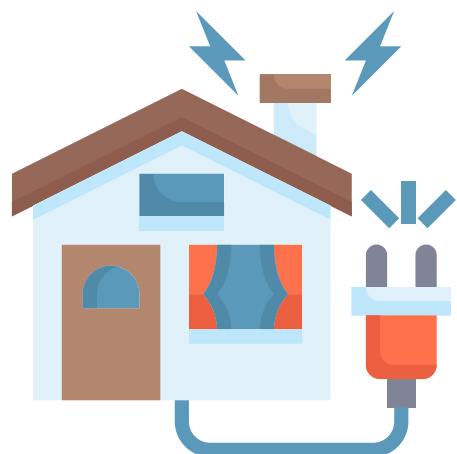

## HOW WILL THE CITY OF EVANSTON PHASE OUT NATURAL GAS?

**WEDNESDAY, SEPT. 20 | 6:30 - 8PM**  
Morton Civic Center, Parasol Room (4900)

Join Mayor Biss, City staff, and community leaders for a discussion about potential legislation requiring new construction to be fully electric, without natural gas connections.

- Learn about why the City is considering phasing out new natural gas connections
- Understand the tradeoffs of possible exemptions, timelines, and other communities' approaches
- Share your thoughts, feedback, and concerns about the legislation
