## Larimer Park Renovations

June 21, 2024

---

### **Project Description**

Over the next four months the City of Evanston will be contracting renovations at Larimer Park (located north of Crain Street and east of Ridge Avenue). The project will include a new playground, basketball court improvements, gazebo renovations, new pathways, new LED lighting, new site furnishings, and landscaping.

### **Project Schedule**

This project is anticipated to begin in **July 2024** and be completed in **October 2024**. During construction, the park will be closed to the public. Construction activities may create some inconveniences for adjacent residents but we will attempt to minimize these issues. Limited parking restrictions on adjacent roadways may be required to accommodate construction activities and will be signed with temporary "NO PARKING" signs posted 48 hours in advance.

### **Contractor**

The project's general contractor is All-Bry Construction Company, 145 Tower Drive, Suite 7, Burr Ridge, Illinois, 60527.

### **Project Monitoring**

The project is monitored by the City's Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Stefanie Levine, Senior Project Manager, at **3-1-1** or **847-448-4311**.
