City of Evanston Public Works Agency

2024 Small Diameter Sewer Cleaning

October 4, 2024

Project Description

The City of Evanston has an Annual Sewer Cleaning Program with the goal of cleaning all combined sewers within the city every four years. This is an important program necessary to maintain the reliability of our stormwater and wastewater systems. The contractor hired to supplement the City's cleaning crew this year is Pipe View America. The Contractor will be focusing their cleaning efforts in the northwest portion of the City. A map showing the locations of the sewer lines to be cleaned by the Contractor is on the back of this newsletter.

Tentative Schedule

The work is scheduled to begin **October 14th** and to be completed by **December 20th**, weather permitting.

City Monitoring

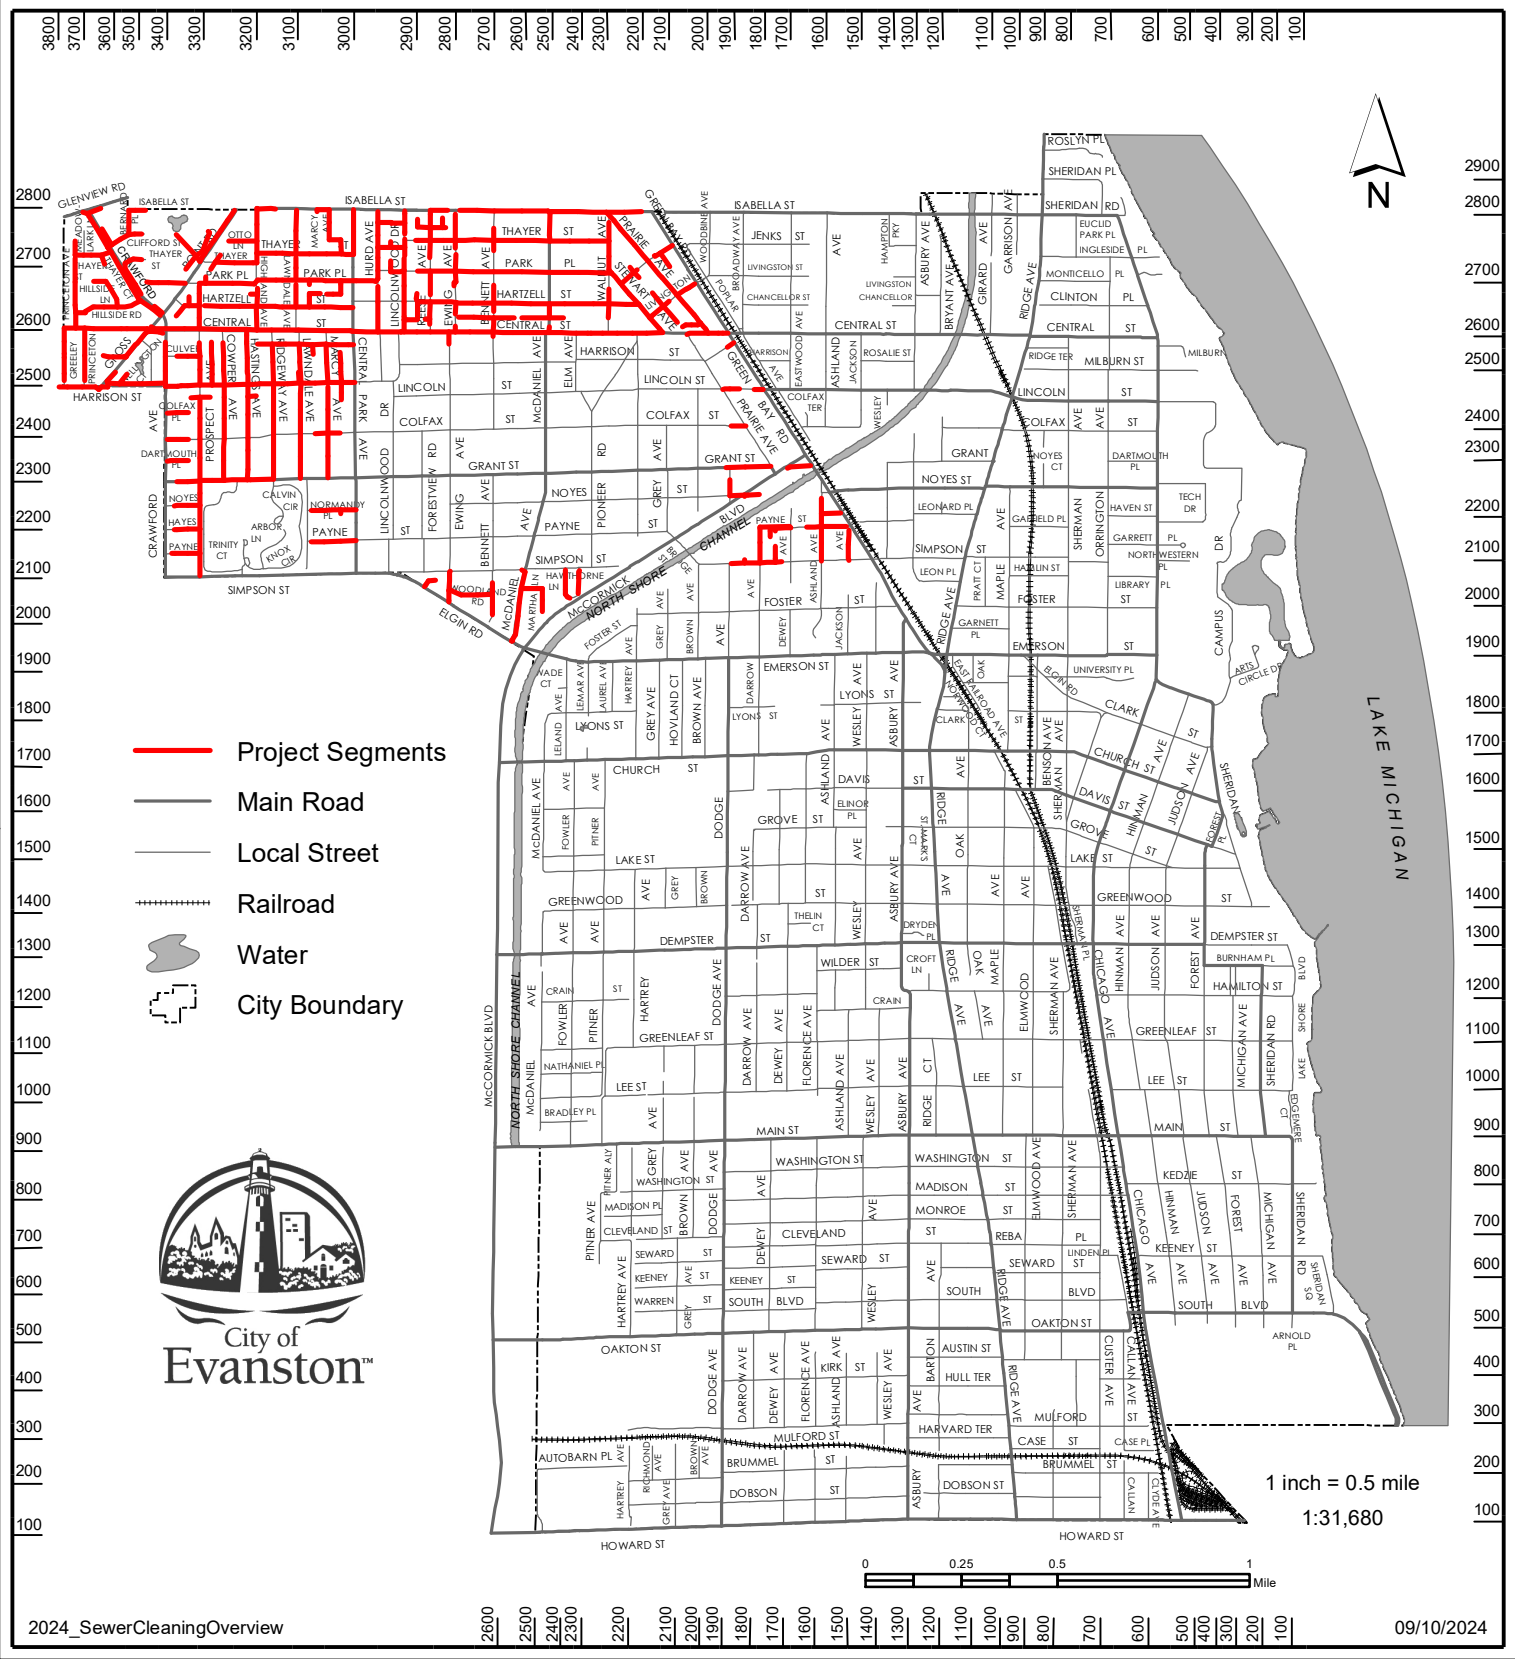

This project will be monitored by the City's Capital Planning & Engineering Bureau. If you have any questions or concerns, please do not hesitate to contact James Knuth, Civil Engineer II at (847) 448-8280 or jknuth@cityofevanston.org.
