

Bystander CPR/AED Community Training Event

This event aims to raise awareness about the power of bystander CPR and empower community members with the skills to respond confidently to a cardiac arrest emergency.

- Hear about a recent real-life case of CPR saving a life in our community
- Learn about Bystander CPR and how to use an AED
- Participate in hands-on practice with mannequins and AED training devices

Saturday, February 15, 2025
10:00 – Noon

Skokie Hospital
9600 Gross Point Road
Sharfstein Meeting Rooms
