Expressive Arts

With a foundation of the creative process, the individual experience, inspiration from artists, and our environment, we will work with art using different materials. Inspiration ranging from still life, art by others to topics relating to existential or spiritual topics, allowing our inner artist to go on an adventure. Class focuses on our expression of the subject and concludes with sharing our work and thoughts in a supportive, reflective, and constructive environment. We work on larger paper, watercolors, dry and oil pastels, and crayons.
