

NOTICE OF TEMPORARY TRAFFIC CONTROL PLAN

Multiple Locations – Evanston, IL

May 27th, 2025 – June 27th, 2025

Impacted Areas:

Please refer to the attached map for specific manhole work locations.

Scope of Work:

ComEd will be conducting utility work in manholes along Lyons Street, Church Street, Benson Avenue, Clark Street, Sherman Ave, Emerson Street, Sheridan Road, Library Place, Simson Street and Central Street

This work is part of a larger effort to enhance the reliability and increase the capacity of the electrical distribution system in preparation for the Ryan Field Project. Crews will be performing rod and roping operations in coordination with cable installation.

Project Schedule:

Work will take place from May 27, 2025 – June 27, 2025

Traffic and Access Impacts:

Temporary restrictions on alleys and garage access may occur. Every effort will be made to minimize disruptions and accommodate residents' needs. Closing alleys on Wednesday will be avoided to enable garbage pickup. Advance notice signage and appropriate traffic control measures will be posted at least 48 hours prior to the start of work in each area.

We appreciate your patience and understanding during this important infrastructure improvement project.
