2025 Alley and Sidewalk Improvements

July 1, 2025

Project Description

The 2025 Alley and Sidewalk Improvements project will take place over the next five months. A summary of the project locations and scope of work is provided below:

Project	Scope
Alley North of Payne St, East of Crawford Ave	Storm sewer installation, concrete pavement, and restoration.
Alley North of Grant St, East of Hartrey Ave	Storm sewer installation, concrete pavement, restoration, and storm sewer extension from the alley east on Colfax St for approximately 360 feet.
Alley North of Lincoln St, East of Hartrey Ave	Removal of existing storm sewer and pavement, storm sewer installation, concrete pavement, and restoration.
Dodge Ave and Lee St Pedestrian Crossing	Installation of concrete medians, ADA ramps, solar-powered LED pedestrian crossing signs with push buttons, in-street signs, and striping.
Dodge Ave and Monroe St Pedestrian Crossing	Installation of concrete medians, ADA ramps, solar-powered LED pedestrian crossing signs with push buttons, static pedestrian warning signs, in-street signs, and striping.
Sheridan Rd and Clinton Pl Pedestrian Crossing	Sidewalk removal and replacement, ADA ramps, installation of solar-powered LED pedestrian crossing signs with push buttons, static pedestrian warning signs, in-street signs, and striping.
Sheridan Rd and Keeney St Pedestrian Crossing	Removal of the southern pedestrian crossing,

	installation of solar-powered LED pedestrian crossing signs with push buttons, in-street signs, and striping.
Lee St Sidewalk Gap Infill	Installation of ADA-compliant concrete sidewalk where none currently exists on Lee St east of Dodge Ave, pedestrian crossing improvements, and sidewalk improvements.
Greenwood St Sidewalk Gap Infill	Installation of ADA-compliant concrete sidewalk where none currently exists on Greenwood St from McDaniel Ave to Fowler Ave, pedestrian crossing improvements, and sidewalk improvements.
Dempster St Beach Office Sidewalk Gap Infill	Installation of ADA-compliant concrete sidewalk where none currently exists, pedestrian crossing improvements, and sidewalk improvements.
Downtown Sidewalk Improvements	Removal of existing brick paver sidewalk and replacement with ADA-compliant concrete sidewalk with brick banding on Benson Avenue from Davis Street to Clark Street and on Clark Street from Benson Avenue to Sherman Avenue and associated restoration.
Greenwood Park Picnic Pad	Installation of an ADA-compliant concrete sidewalk, a concrete picnic pad, and picnic accessories.
Traffic Calming - Speed Humps and Alley Bumps	Installation of traffic-calming speed humps and alley speed bumps at various locations throughout the City.
Transit Stops	Installation of ADA-compliant concrete sidewalks at transit stops on Lake Street from Dodge Avenue to Ridge Avenue and on Ridge Avenue from Dobson Street to Lake Street.

A map of each of the project locations is provided as an attachment.

Project Schedule

The project is anticipated to begin within the next two weeks and be completed by November 21. The exact dates of construction activities scheduled to begin will be noted on the temporary construction zone “No Parking” signs posted a minimum of 48 hours in advance of the work. Parking will be prohibited during daytime work hours (7:00 AM to 5:00 PM) while construction takes place. Street sweeping parking restrictions will be waived for a one block radius around the construction zone

when temporary daytime no parking is in effect. Every effort will be made to complete the work in a timely manner to minimize any inconveniences caused by the construction.

Contractor

The contractor for this project is Alliance Contractors, Inc. (1166 Lake Avenue, Woodstock, IL 60089).

City Contact

This project will be monitored by the City's Capital Planning & Engineering Bureau. If you have any questions or concerns during construction, please do not hesitate to contact the Resident Engineer, Brooke Tucker at (708) 435-3866. Questions about the project in general should be directed to Bridget Nash, Senior Project Manager at (847) 448-8102 or bnash@cityofevanston.org.
