## Grey Park Dog Park

October 20, 2025

### Project Description

Over the next two months the City of Evanston will be contracting construction of a new dog park at Grey Park. This will include construction of new fencing systems, pavements, a drinking fountain, and related amenities.

### Project Schedule

This project is anticipated to begin in **late October 2025** and be completed at the end of **December 2025**. During construction, the majority of the park will be closed to the public. Construction activities may create some inconveniences for adjacent residents, but we will attempt to minimize these issues. Limited parking restrictions on adjacent roadways may be required to accommodate construction activities and will be signed with temporary “NO PARKING” signs posted 48 hours in advance.

### Contractor

The project’s general contractor is LZ Design Build Group, 1350 Lake Street, Suite K, Roselle, IL 60172.

### Project Monitoring

The project is monitored by the City’s Capital Planning & Engineering Bureau. If you have questions or concerns during construction, please contact Stefanie Levine, Senior Project Manager, at **3-1-1** or **847-448-4311**.
