## 2026 Downtown Sidewalk Improvements and Gap Infills

May 1, 2026

### Project Description

The 2026 Downtown Sidewalk Improvements and Gap Infills Project will take place over the next three months. A summary of the project locations and scope of work is provided below:

Project	Scope
Downtown Sidewalk Improvements Chicago Ave from Davis St to Church St	Removal of existing brick paver sidewalk and replacement with concrete sidewalk with brick banding
Sidewalk Gap Infills Kirk St from Florence Ave to Asbury Ave	Installation of ADA-compliant concrete sidewalk where none currently exists
Transit Stops Church, Davis, Dodge, and Oak	Installation of ADA-compliant concrete pads at various transit stops throughout the City

A map of the project locations is provided as an attachment.

### Project Schedule

The project is anticipated to begin within the next two weeks and be completed by July 31, 2026. The exact dates of construction activities will be posted on temporary construction zone “No Parking” signs at least 48 hours in advance of the work. Parking will be prohibited during active construction. Street sweeping parking restrictions will be waived within a one-block radius of the construction zone when temporary “No Parking” restrictions are in effect. Every effort will be made to complete the work in a timely manner and minimize any inconvenience caused by the construction.

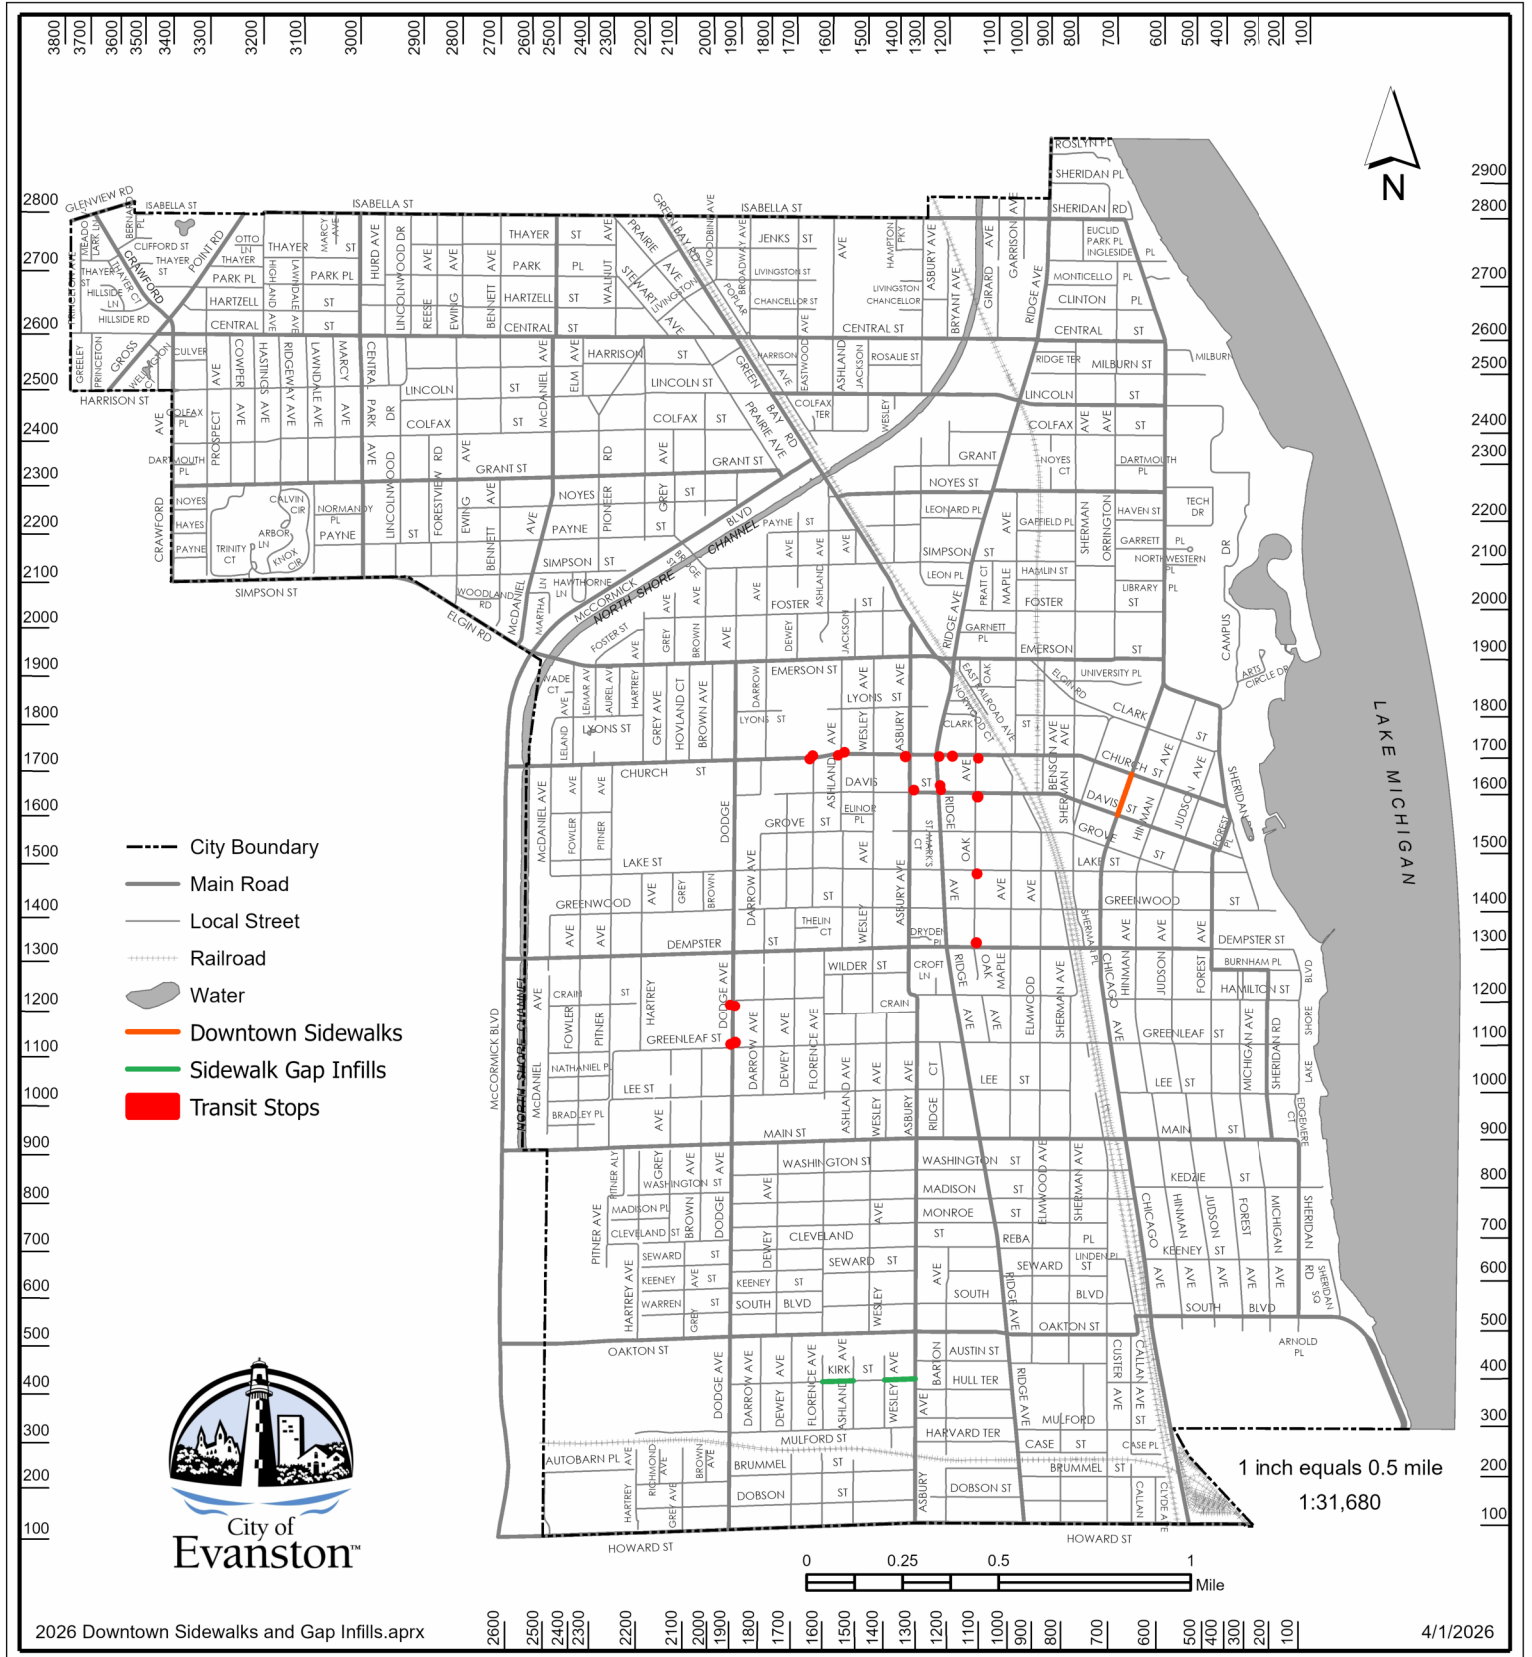

## **Contractor**

The contractor for this project is Landmark Contractors, Inc (11916 W. Main St., Huntley, IL 60142).

## **City Contact**

This project will be monitored by the City's Capital Planning & Engineering Bureau. If you have any questions or concerns during construction, please do not hesitate to contact the Resident Engineer, Charles Oppliger at (224) 630-5381. Questions about the project in general should be directed to Bridget Nash, Senior Project Manager at (847) 448-8102 or [bnash@cityofevanston.org](mailto:bnash@cityofevanston.org).
