

# 2024 Virtual Winter Best Practices Workshop

Hosted By:

STORMWATER MANAGEMENT COMMISSION

## Winter Best Practices for Public Roads Workshop

November 19 – 8am-12pm, Virtual

Registration available at [SaltSmart.org/Workshops](https://SaltSmart.org/Workshops)

The online webinar fee is \$85. The webinar links are shareable within your organization so you only need one registration.

A new Public Roads Training is being offered this year featuring innovative, local practices. The training was created with input from local public works and county DOT staff to provide an overview of current and next level practices to meet annual training needs.
