

2024 Virtual Winter Best Practices Workshop

Hosted By:

Chicago Area Waterways
CHLORIDE WORKGROUP

STORMWATER MANAGEMENT COMMISSION

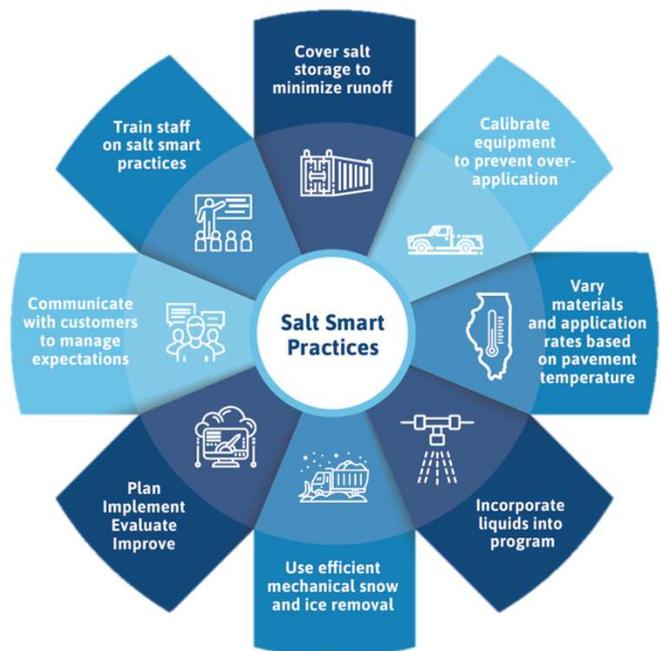

Salt Smart Certified Parking Lots & Sidewalks

November 13 – 8am-12pm, Virtual

Registration available at SaltSmart.org/Workshops

The online webinar fee is \$85. The webinar links are shareable within your organization so you only need one registration.

This training is geared towards colleges and school districts with a local focus on industry-accepted winter best practices, Salt Smart Practices, for parking lots and sidewalks that keep surfaces safe and reduce waste. This program is tailored to Illinois, sharing important information and resources specific to our state.
