

Costs are rising. Help is here.

When the budget's tight, life's moving a mile a minute, and maybe DIY just isn't your thing — fixing up your home can slip way down your to-do list.

It's simple to apply.

We help you make decisions.

Deciding where to begin can feel overwhelming. We're here to guide you through the steps and options.

We Help You Invest in Your Home

Most homeowners* in Oak Park can qualify for **\$1,000 to \$10,000 per year** for these eight projects that reduce energy use.

Get an energy audit to find the best ways to save

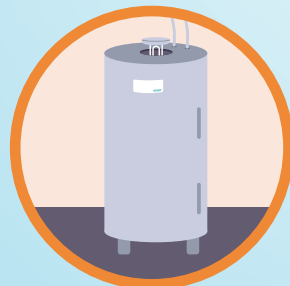

Install insulation

Upgrade lighting

Install electric water heater

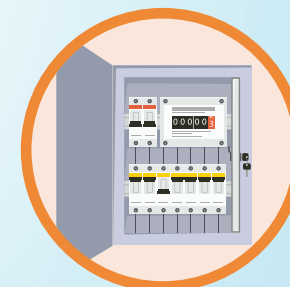

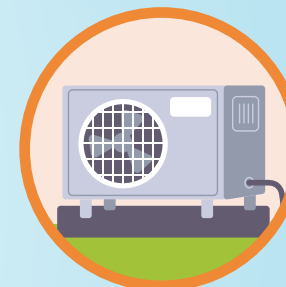

Plus, you can layer state, federal and utility rebates and incentives with these grants.

Fix drafty windows

Swap furnace with an electric heat pump

Upgrade electric panel

Add solar panels

*One Climate Ready Energy Grant per household, per year. Owner-occupied single-family, condominium and 2-4 flat owners qualify. Not seeing the projects you need help with on this list? The Village also offers no-interest loans and other programs to homeowners. Learn more: www.oak-park.us/HomeownerPrograms
