

**ELEVATE**

# Our Climate. Our Housing. Our Future.

## Help Shape a New Energy Efficiency Program for Oak Park

The Village of Oak Park is partnering with Elevate, a local nonprofit, to design a program to help homeowners, tenants, and multi-family building owners save energy, lower utility bills, and keep homes comfortable.

**Join us for a roundtable discussion** to share your ideas and experience with energy efficiency as Oak Park residents. Your feedback will help us create an equitable program that benefits you and the community.

### **When & Where:**

September 25, 2025, 6–8 p.m.  
Oak Park Public Library, Dole Branch  
255 Augusta St., Oak Park  
*Virtual meeting option also available*

### **Who Should Attend?**

- Homeowners
- Tenants
- Multi-family building owners
- Community-based organizations

### **Why Attend?**

Join a discussion to help us design a program that:

- Makes energy efficiency upgrades easier to access
- Reduces utility costs for households
- Improves health, comfort, and safety at home
- Preserves affordable housing
- Strengthens community resilience against climate impacts
