

Northeastern Area Community Forest Program Webinar Announcement

In preparation for the 2016 request for applications for the U.S. Department of Agriculture, Forest Service Community Forest Program, Neal Bungard, Natural Resource Program Leader for the 20-State Northeastern Area Forest Service Community Forest Program will be holding a webinar about the program in the Northeastern Area.

The Community Forest Program is a grant program that authorizes the Forest Service to provide financial assistance to local governments, Tribal governments, and qualified nonprofit entities to establish community forests that provide continuing and accessible community benefits. Federal funds are available to pay for up to 50% of the full fee acquisition of forested land for community benefits. Basics of the CFP will be presented as well as sharing information on successful CFP projects across the Northeastern Area.

The webinar will be at 11:00 am (eastern) on Friday, September 11, 2015.

Please RSVP to Neal Bungard at nbungard@fs.fed.us by September 8, 2015 for connection information.

The link to the webinar will be shared on September 9, 2015 to those who RSVP by the deadline.
