View Tree Steward Curriculum at:
<http://www.in.gov/dnr/forestry/2854.htm>

This training is a mix of classroom and in the field, hands on training, which require walking distances to training sites and specimens over paved and unpaved surfaces.

If you need accommodations please let us know when you register.

The Indiana Community Tree Steward Program Partners:

The Indiana Community Tree Steward Program is made possible through a grant from the USDA Forest Service Northeastern Area.

"The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, DC 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider and employer."

Learn More, Do Good, Plant and Care For Trees!

Indianapolis, Indiana

July 9 & 16, 2016
8:30– 4:00pm both days

Register early. Space is limited!

This course is eligible for CEU's
from the International Society of Arboriculture (ISA).
Please let us know if you are attending for CEU credit
when you register.

The Tree Steward Program:

is designed for tree board members, municipal employees, Community members, volunteers, students, Master Gardeners, and **anyone that has an interest in learning more about trees** and giving back to their community forest.

Trainers Include:

City Foresters, Certified Arborists, Foresters, Purdue Extension Agents, District Conservationists, and other natural resource professionals.

Participants Gain:

Knowledge on a variety of community forestry and tree care related topics. Ideas on how to share their knowledge in their communities. An introduction to local and state tree care professionals.

Tree Stewards who complete 15 hours of volunteer service receive:

A signed certificate from the state forester, a Tree Steward lapel pin, and a copy of the book "101 Trees of Indiana," upon submission of hours.
