Chris Deaton, Assistant Director of CTE, PK-16

Date: December 1, 2017

Re: Expiration - Microsoft Imagine Academy Curriculum & Certiport (MOS/MTA)
Certification Assessments

The Indiana Department of Education has been notified that the Indiana Department of Workforce Development (DWD) will no longer provide funding for Microsoft Imagine Academy and Certiport vouchers, resources, and certification assessments.

The Microsoft Imagine Academy teacher's vouchers and resources expired September 30, 2017.

The first batch of Certiport certification assessment site licenses and vouchers will expire on December 17, 2017. The second batch of Certiport certification assessment vouchers will expire on January 30th.

Upon expiration of the above DWD funded vouchers, resources, and assessments, LEA's may choose to allocate local resources in order to continue access to Microsoft Imagine Academy curriculum and Certiport assessments.
