RE: Spring 2018 ISTEP+ / IREAD-3 / ECAs: IDOE Pretest Workshop

The Office of Student Assessment scheduled the Spring 2018 IDOE Pretest Workshop in preparation for the upcoming Spring 2018 ISTEP+, IREAD-3, and End-of-Course Assessments. In-person and WebEx sessions replace previously recorded versions. Required for Corporation Test Coordinators, this training will present important information (e.g., program updates, scheduling guidance) relating to all three assessments.

Registration is required for these sessions: <https://www.doe.in.gov/assessment/pretest-workshops>

Please note:

- CTCs are **required to register** for one of the scheduled sessions and remain in attendance for the duration of the training.
- CTCs who register for a WebEx should receive an **auto-generated email containing the login information** needed to join that session. Keep this email in a safe place.
- Please register **no more than once** for any session, as multiple entries take up seats that could otherwise be filled by others interested in attending the same session.
