

ILEARN Assessment Literacy Workshop Opportunities

The Office of Student Assessment is excited to offer several opportunities for administrators, CTCs, and educators to learn about Indiana’s new ILEARN assessments! The different online sessions available are listed below. Please use the links provided to register.

Workshop Name	Length	Suggested Audience	Description	Times Offered	Registration Link
What’s New for ILEARN?	60 min	CTCs and Admin	The Department will share key elements of the ILEARN release including blueprints, specifications, Released Item Repository, technology guidance and accessibility. An interactive Question and Answer time is included.	May 15, 4:00-5:00 pm May 16, 7:00-8:00 am	https://form.jotform.com/81066155039960
What is a Standards-Based, Computer-Adaptive Test?	90 min	Any	The new Mathematics and English/Language Arts ILEARN assessments will be both standards-based and computer adaptive. Learn how the computer-adaptive algorithm and test blueprints work together to provide an individualized, standards-based test experience for each student. An interactive Question and Answer time is included.	May 24, 4:00-5:30 pm June 12, 11:00 am-12:30 pm June 18, 1:00-2:30 pm	
Why is it Important to Assess?	60 min	Any	Assessment often brings mixed feeling to the surface for educators. Does assessment have a purpose? Is it helping students or wasting time? The Department shares foundational ideas about what assessment is and how it can be designed to support educators and students for greater academic growth. An interactive Question and Answer time is included.	May 22, 4:00-5:00 pm June 8, 11:00 am – 12:00 pm June 14, 1:00-2:00 pm	
Indiana’s New ILEARN Assessments	90 min	Any	ILEARN is a brand new assessment that started over two years ago with feedback from Indiana Educators. The Department will provide a brief overview of ILEARN, principles that guide the development of ILEARN, a sneak peek of the new assessment, and an overview of its key features including accessibility. An interactive Question and Answer time is included.	May 23, 4:00-5:30 pm June 4, 11:00 am – 12:30 pm June 11, 1:00-2:30 pm	

Workshop Name	Length	Suggested Audience	Description	Times Offered	Registration Link
