

Corporation Test Coordinators Register Now for the Winter 2018 IDOE Pretest Workshop

The Office of Student Assessment scheduled the Winter 2018 IDOE Pretest Workshop in preparation for the upcoming winter assessments (e.g., ISTEP+ Grade 10 Retest, ISTEP+ ECAs, and the ILEARN Biology ECA). In-person and WebEx sessions will be available. Required for Corporation Test Coordinators, this training will present important information (e.g., program updates, scheduling guidance, test content) relating to all of Indiana's winter assessments.

Registration is required for all sessions. CTC attendance will be documented and capacity is limited, so each CTC should use his or her school email address to register only once. Meeting confirmation and information will be sent automatically via email.
