

Summer 2021

Virtual Tools for Teachers Workshops

What is it?

This is an opportunity for you to get involved with educators from across the country! During this workshop, you and your peers will work together to review, update, and create instruction resources for Tools for Teachers.

When is it?

There are two opportunities to attend:

- Monday, June 14 to Friday, June 18
- Monday, July 12 to Friday, July 16

Monday through Thursday, participants will meet virtually from 7 to 11:30 a.m. ET. Participants should plan for two hours of independent work each day.

How do I get involved?

Indicate your interest in participating through this [form](#). The Indiana Department of Education will select educators to participate in the workshop. Smarter Balanced will contact selected educators. Those who complete all required work will receive Professional Growth Points.

Who can apply?

General Education Educators

Special Education Educators

Data / Instructional Coaches

Administrators

Assessment / Curriculum Directors

Educators who work in one of the roles above should have content-area expertise in one or more of the following:

English/Language Arts

Mathematics

Special Education

English Learners
