## SPRING 2022 ILEARN SCORING OPPORTUNITY

### WHAT IS THIS OPPORTUNITY?

**In Spring 2021, 225 Indiana educators participated in ILEARN hand-scoring!**

Indiana educators have been making an impact for the last few years. Recruitment was underway for 577 Indiana educators in Spring 2020 prior to the cancellation of Spring ILEARN testing due to the COVID-19 pandemic. In Spring 2019, 332 Indiana educators participated.

Many educators shared positive feedback about this process. It enabled them to learn more about the scoring process and obtain hands-on experience with items on the ILEARN assessment.
